LOAN!

The Federal Land Bank offers financing for rural homes to qualified farmers as well as nonfarmers. Who is qualified? Generally, any family who lives - or plans to live - on a farm, on country acreage, or in certain towns of less than 2,500 population.

Land Bank loans are made for long terms to keep payments small. Prepayments may be made without penalty, and interest rates are as low as economic conditions permit. If you are thinking about a rural home loan - to buy, build, or refinance - be sure to investigate the possibility of Land Bank financing.
