In Memory of my dear niece

Two months ago I was an aunt, now all I have are memories. She would have been 8 years old this year. Though she lived a short life, all my memories with her are good ones.

I loved you, but God loved you best. She had a smile that would light up the world.

She has taken her light and gone into another room, we cannot find, but we can tell where she has been by the love light she left behind. She will always have a special place in her aunt Co-Co's heart.
