Pet vaccination clinics scheduled

Vaccination clinics for family pets, in Garwood and in Sheridan, are scheduled this month, thanks to the Lions Clubs in those areas. According to Troy Krenk in Garwood, the Lions there are sponsoring their annual clinic this Saturday, March 23 from noon to 2 p.m. at the Garwood School Shop. For a minimum charge of \$5, Dr. R.H. Potter of Columbus will administer the vaccination. In Sheridan, the Lions have scheduled their clinic for Friday, March 29, from 4 to 4:30 p.m. at the Sheridan fire and ambulance hall. "Bring your pets on a leash or in a box," the Lions recommend. Dr. L.T. Baron of Columbus will administer those shots for \$4.

24 athletes on tennis team

After participating at a meet in Yoakum Tuesday afternoon, the Rice setters host Seely at a meet at the newly repainted fields at Rice High School at 5 p.m. this Thursday.

Dabney and Spears win All-District Team

Eleven basketball players, including five by unanimous choice of district coaches, were recently named to the mythical All-District team in 25-AAA.

Lady Raiders finish ninth at Yoakum

Rice High School's girls track team competed in a meet at Yoakum recently and the Lady Raiders came home with a ninth-place finish in that meet.

Kimberly Clayton finished in second place in the 100 meters and Lisa Brown finished in second place in the triple jump. Clayton's time was 12:56 — first place time was 12:39. Brown's jump was for 35 feet, six and one-half inches.

'Good things' expected

Rice High School's baseball team has had it pretty bad already this year — few workouts because of wet grounds, game cancellations because of the weather, three losses in a row, the latest a 14-0 decision at Seely Monday and spring break from school and practice.

The Shiner tournament was rained out last week and that affair has been rescheduled for March 28-29-30. And this week, Friday and Saturday, the Raiders are scheduled to participate in a double elimination tournament at Weimar.

The Raiders are scheduled to meet LaGrange at 6 p.m. Friday in the Weimar slugfest. With all the negativity surrounding the Rice baseball efforts at this time, Clifford Darden, athletic director at Rice who presently is supervising the baseball coaching activities, remains optimistic: "If we can get in our regular workouts, our scheduled games in, I still feel like we can do some good things," he said.

Coach Gilbert Goode is assisting with the baseball coaching chores at Rice.

That's a big bear, coach!

Rice golf coach Bill Cain threw his chest out Tuesday — he took his Rice linksmen into the Liberty Tournament at Houston, played on Sharpstown Country Club's course, as the only 3-A entry. The tourney field was made up of mostly 5-A teams, a few from 4-A and Rice.

Cain said going into the tournament that Rice would probably finish last in the scoring, but "We will learn a lot."

Total education, right, coach?

Track alarm sounds off

Rice High School's boys track and field team members are still trying to wake up from the spring break, according to coach Steve Carroll.

Carroll said the boys looked slow at Monday's workout. But he expects them to get back in shape by week's end.

Rice's track and field team enters a track and field meet hosted by Giddings High School this coming Saturday. It's the first meet for the Raiders during their abbreviated track and field season.
