Raider Review

FTA remembers teachers for Texas Public School week

During Texas Public School week, March 28-30, the Rice Future Teachers presented each professional teacher with a pad of paper and a pen.

Huvar shows to win

Phi Huvar, an active member and officer in the Rice High School FFA, has been on the road again competing in area livestock shows with his Brangus heifer. Phil has held up well against competition throughout the state this year and recently took honors in several area shows.

These novel note pads can be attached to genuine wooden paint paddles. Notes or memos can easily be jotted down for future reference.

Heifer won champion of her class and grand champion while Phil received a belt buckle and \$40 for his entry.

Paying off again were trips to Victoria and Conroe where the heifer's pedigree, care and feeding program were awarded by the judges with \$30, \$20 and two class championships.

Phil Huvar is one of the many FFA members who has set a goal to excel and is learning that through dedication, hard work, and the will to succeed, those goals can be achieved.

Rice golf wins fifth

BY RACHELLE HUNT

Blood drive at Rice

BY KRISTINE CARPENTER

The Rice High School Student Council will sponsor a Blood Drive on March 29 during school hours. Any student who weighs a minimum of 110 lbs. and is 18 years old may give blood. Students who are 17 and willing to give blood must have a parent or guardian's written consent.

If 25 percent of the senior class gives blood, the Blood Center will cover the entire senior class and their immediate families.

The brave teachers of Rice High School also are encouraged to set an example for the students and donate their blood.
