"LET'S COOK OUT!"

SPECIAL TIPS TO MAKE YOUR B.B.Q. COOKOUT A SPECIAL ONE...

"Let's Cook Out" is a popular password in today's active lifestyles. Barbecuing, whether in your favorite picnic spot or in your own backyard is fun and the enticing aroma is hard to resist. The following are a few tips to make every barbecue a success:

- A meat thermometer should be used to determine the degree of doneness for large cuts of meat.
- When turning meats use tongs versus forks, which could pierce the meat.
- Always have a container of water available just in case of an emergency.
- If using very thick basting sauces, especially those containing sugar, do not apply sauce until the food is almost done to avoid burning the sugar.
- Use a heavy foil wrap when roasting vegetables or small cuts of meat.

So shop your local Minimax Supermarket for your barbecuing needs and use these cookout tips to help make all your outdoor barbecues safe and delicious for all to remember!
