IMPROVING YOUR SMILE

When you're speaking, which are more visible, your upper or your lower teeth? If you look into a mirror, you'll discover that it's your lower teeth that are more noticeable. Now smile. Surprised? Your upper teeth are more noticeable now. There's a good chance your dentist can improve upon your smile. He can check to see if your six upper teeth follow the upward curve of the lower lip. This means that the two upper front teeth should be slightly longer than the teeth next to them. If they're too short, they may give your face a frowning look. If this is the case, an adjustment can be made to improve your appearance. If any of your front teeth are of uneven length, he can contour their shape to make them even and to give the proper accent to your two front teeth, which should be longer. Chipped or broken teeth can be repaired. Any tooth badly damaged by decay can be crowned to protect it and given a natural look. Why not let your dentist check YOUR smile? You've got everything to gain. Prepared as a public service to promote better dental health. From the office of DAVID W. EUERS, D.D.S., 704 S. McCarty Avenue, Eagle Lake, 234-3525.

Sheridan News
By Velma Kutzer Call 234-3988

The second annual Bene-Fair has come and gone and now is history. A huge crowd enjoyed the festivities of the day Saturday to make the fair an overwhelming success. Buford Ashley Jr., who underwent exploratory surgery in the Eagle Lake Community Hospital, recently was released. Much to the relief of his many friends and relatives, all of his tests were negative. Mrs. Guy (Dollie) Botard who suffered a massive heart attack recently is still in the intensive care unit at the Eagle Lake Community Hospital. Her family reports that she still is not allowed visitors, but would welcome cards from her friends. A speedy and complete recovery is extended to her. Robert Layton, son of Robert and Betty Layton, arrived in California where he will be stationed for the next two years. Mr. and Mrs. Delene Holub received word recently of the death of Mrs. Peggy Compton. Mr. Compton was employed by Shell Oil Company and lived here years ago. Their two children, Beth and Linda, attended Sheridan school as youngsters. Both children were killed in separate automobile accidents after graduating. Friends from Sheridan extend sympathy to the Compton family. Get well wishes are extended to Mrs. Elizabeth Fuller who had surgery recently. Mrs. Betty Layton who is employed in La Grange spent recently several days in Fort Worth on business. Mr. and Mrs. Louis Wayne Botard of Cleburne, Texas, arrived in Sheridan during Mother's Day weekend.
