**THE ALL AMERICAN
CHEESESTEAK**

From The All American Favorite: STEAK-ON Sandwich. Steak, BORDEN Slices And BLUE BONNET Margarine!

1 cup. Blue Bonnet soft margarine
2 cup. Blue Bonnet stick margarine
2-4 lb. French rolls, split lengthwise
1 medium green or red pepper, cut in strips

1 medium onion, sliced
2 cup. Blue Bonnet stick margarine
2-3 oz. portion steak, minus all beef sandwich meats
2 slices Borden Process American cheese food slices

Spread Blue Bonnet soft margarine on top halves of French rolls; cut rolls in a large skillet, over medium-high heat, with onion and pepper to Blue Bonnet margarine until crisp and tender, about 3 to 5 minutes. Place mixture on bottom halves of French rolls. Cook frozen food-slice sandwich steaks, one at a time, until top side is defrosted and bright red, about 45 seconds. Turn; cook 15 to 20 seconds more. Top entire mixture with meat and Borden cheese food slices. Broil just until cheese food begins to melt. Top with other half of French roll. Serve immediately. Makes 2 delicious sandwiches.
