**Minimax
Celebrates National Independent
Retail Grocers Week
September 8th thru 14th!**

"National Independent Retail Grocers are small business people who raise the American free enterprise system to its highest levels, providing needed services to the communities in which they live and work.

Independent retail grocers account for 64 percent of all grocery stores in the United States. They account for nearly one-half of all grocery sales and provide employment for over one million people.
