Office education contest to be held for Rice Students

By LAURA APPELT
OEA members from Rice High School will be participating in the OEA Area V. Region III Leadership conference and contest on Saturday, February 8, at Brazosport College in Lake Jackson. The contest has 1A through 5A schools in this area competing with each other. The top two finalists will progress to state, and the third, fourth, fifth and sixth place winners will receive plaques. The third place winners will also be considered as alternates for the state contest.

Rice students have the opportunity to enter the following contests: Accounting and Related I and II, General Clerical I and II; Typing and Related I and II; Information Communications I and II; Records Management I and II; and Job Interview I and II. There are other contests, such as shorthand, but because this course is not offered at Rice, no one will be entered.

Because of conflicts with other school-related activities on the same weekend, the number of students from Rice who will be participating has not been determined. Sponsor Henrietta Baumgarten is hoping to enter about ten girls in the contest.

Good luck to all of the girls who will be participating in the contest on February 8.

Meet the Lady Raiders

By ELIZABETH YOUNG
As the season slowly comes to a close for the Lady Raiders, the Raider Review would like to introduce Veronica Woods. Veronica, a senior, plays forward. Looking back on the season, Veronica believes the team's record isn't the best compared to other teams. However, Veronica feels the team has been able to learn from their losses.

Reviewing all areas of the team, Veronica sees a need for more shooting from the forwards along with a tighter defense. These changes will aid in strengthening their game. She doesn't feel that the team has any major problems and is therefore on the right track.

Observing the underclassmen on the Lady Raiders, Veronica sees a very young talented team with a lot of potential. She predicts next year's team will win district.

Who's zat?

By VICKI DARDEN
This bright-eyed three-year-old is just during someone to guess her name. Now a sophomore at Rice High School, she is somewhat changed, but she still has the same jovial personality of yesterday.

Who is she you might ask? Well, let's see what Rice students had to say about this camera-happy little girl. Could it be Leslie Sanderman? Lara Dupre, Vance Pence and Adrian Garza assumed so. Perhaps Suzanne Gorman as DeWayne Doplauf believed. No, neither of these choices seemed to match the delighted little actress, Teresa Havens, Greg King and Chuck Turner are all correct in stating that this little dandel is Brenda Jackson.

little dandel is Brenda Jackson. Now doesn't that just look like something she might do?

Band notes

By KELLI LANIER
The Mighty Rice Raider Band has begun preparation for contests to be held in the months to come.

On February 7, the Raider band will participate in a solo and ensemble contest held in Cuero. About seventy members from Rice will be participating in solos, trios, quartets and ensembles. Piano solos are also eligible.

Later on in the school year, March 4 or 5, the Raider band will attend a concert and sightreading contest held in Vanderbilt. Also in the making is a spring concert. A date will be scheduled later in the year.

Good luck at contest!

Art Show winners picked

By DOLORES SOTO
On Saturday, January 11, the annual Rice High School Art Show was held in the library. Mrs. Bengie, art teacher at Rice, stated that she was very pleased with the outcome of the show considering the number of new students that had signed up.

One thing Mrs. Bengie found rather exciting was the fact that 55 blue ribbons and 22 red ribbons were presented with no one receiving a white ribbon. The gold medal winners were David Morgan and Lisa Drik, both in their first year of art. The best of show winner, whom we're all proud of, was Carol Korenek, another first year student. These top three pictures will advance to the Houston Art Show to be held on Saturday, March 2. Each of the three students will receive three rosettes which will be used by the student and his/her parents. Congratulations to all these students from the Rice annual staff.

The United Buyers... a moving force

By TINA GRAHAMM
When Rice High School holds its annual FFA Show and Sale each year, a great deal of time and organization goes into rounding up buyers for the show animals. The United Buyers, an organization set up to help with the purchasing and sale of animals, is quite a moving force in the success of the sale. Last year they assisted the FFA by purchasing eight animals. As in the past, the United Buyers would appreciate your help in making this year's sale a huge success.

If you would like to be a member of this worthwhile organization, please send a check with your donation to Rice High School by Friday, January 24. Make your checks payable to the Rice FFA. If you have any questions involving the United Buyers, feel free to call Fred Grahmann at Rice High School at 234-3535.

The FFA and the United Buyers would appreciate your help in making this year's sale a huge success.
