Raider Review

Faculty selects Mr. and Miss RHS

By TINA GRAHAMMAN
On Friday, March 21, the faculty of Rice High School announced the names of the two students that they selected as Mr. and Miss Rice High School. After reviewing a large group of eligible candidates the faculty decided that Peter Canaris and Beverly Rucka were the two students worthy of this honor.

The faculty also selected Peter Canaris and Vicki Darden as the two students that are most likely to succeed. The two seniors believed to be the wisest were Carol Rhodes and Bryan Wiese. Valerie Benge and Ron McGrew were selected as the

friendliest seniors. The faculty members selected Mario Hernandez and Beverly Rucka as the most handsome boy and the most beautiful girl, while Dean Van Nort and Laura Appelt were selected as the two best dressed seniors. Carl Wied and Tina Grahamman were chosen as the most dependable students in the senior class and Daryl Pieprzyca and Leslie Heard were chosen as the students that were the most active in school activities.

The Raider Review wishes to congratulate each one of these outstanding seniors and wishes to recognize them for their many accomplishments.

One-act play competition held

By ELIZABETH YOUNG
Rice High School's one-act play competition in Columbus on April 1. They performed "Some of My Best Friends are Smalls" which dealt with prejudices. The plays were performed before a judge who critiqued the plays and gave tips for improvement. The winning plays, which will advance, were performed by Edna and

Gonzales with Columbus as the alternate. The cast and crew of the one-act play from Rice included Valerie Benge, Lara Dupre, Dianne Glover, Tina Grahamman, Leslie Heard, Bonnie McManough and Darlene Stancik. Congratulations are extended to Valerie and Tina who were named honorable mention to the all-star cast.

FHA to sponsor a volleyball tournament April 22 at RHS

By LAURA APPELT
On Tuesday, April 22 at 5:30 p.m., the Rice Future Homemakers of America will sponsor a volleyball tournament in the Rice High School gym. This tournament is open to any school organization or club, and all proceeds will be donated to the March of Dimes.

First, second and third place trophies will be awarded, as will a trophy for consolation. Team rosters must be turned in to Melissa Rodriguez or Laura Appelt by April 17, along with a \$5 entry fee. A fifty-cent admission fee will be charged to the public in order to have enough money to make a generous

contribution to the March of Dimes. The FHA invites and urges everyone to attend this fun-filled event and make a donation to a worthy cause.

Prom night is a success

By KELLY LANIER
The Rice High School junior and senior banquet was held in the Commons at Rice on March 22. Over 200 people were in attendance for this big event. The Commons was exquisitely decorated with white swans, flowers and lakes. The background for pictures was a cluster of potted plants with a white bench and swans sitting on a lake as well as

attractions. A meal of barbecue with all the trimmings, catered by Staff's of El Campo, was enjoyed by all. Couples danced the night away with music provided by Fantasy Unlimited of Conroe. The junior class gives their thanks to their sponsors for help in putting the prom together and making it a success. They also hope that everyone attending had a terrific time and gives thanks to everyone for making it a big success.

Who's zat?

By AUDREY WILLIAMS
This week's baby girl fooled almost everyone asked. Susan Kaluza and Dean Van Nort thought she was Sandra Kurenek. Laura Appelt guessed she was Christine Schneider. Sandra Kurenek, after a long moment's thought, guessed her to be Leslie Heard. Mrs. Kasper said she looked like Beverly Rucka and Peter Canaris took a wild guess and said she was Paula Baumgarten. They were all really surprised when they found out who she was.

Daryl Pieprzyca and Shawn Swoboda were the only ones who knew without a doubt that this cute little baby is Monica Marsala. Monica, a senior at Rice High School, is the daughter of Mr. and Mrs. Bobby Joe Marsala.

BLEACHING DISCOLORED TEETH

Discolored teeth can be restored to their original color. The discoloration may be caused by the death of the nerve, the use of certain antibiotics (tetracycline discoloration) or over-bleached water. For whatever reason, there is absolutely no reason to go through the hiding your smile. Such discolorations can be corrected by a simple process known as bleaching. Bleaching agents are applied within the tooth to remove the stains that are in the dentin. Techniques employing concentrated oxidizing agents have been successful in most cases. This process is used for internal tooth discoloration and not for the removal of surface stains that may be polished off the enamel. The bleaching process is usually successful but sometimes the discoloration may reappear after a few years and then another bleaching will be required. The process is quite harmless. Of course, a more permanent cure for a discolored or deformed tooth is an artificial crown or jacket (sometimes known as a cap). Prepared as a public service to promote better dental health.
