Raider Review

The RAIDER REVIEW is published by the Journalism Department of Rice High School, and the opinions reflected are of the students and not the administration, or The Eagle Lake Headlight, unless so stated.

Raider Review signs off

By VICKI DARDEN

Today marks the close of the 1985-86 school year for all students in the Rice CISD as well as the last edition of the Raider Review prior to next fall. The Rice annual staff would like to thank the Headlight for its encouragement, support and allotted article space which was offered throughout the year.

We also look forward to having a spectacular year beginning next fall. Not only do we extend our thanks to all of the Raider Review readers for their support, but we offer a special thanks to Jerry Hajovsky, our staff supervisor. Without his encouragement and motivation, there would be no Raider Review, for that matter, 1986 annual.

I, senior, do bequeath...

By KELLI LANIER

The senior class of 1986 could not leave the halls of Rice High School without leaving some important advice to the underclassmen. The Raider Review questioned the following three seniors as to what they would like to leave behind.

I, Dean VanNort, being of sound mind and body do hereby state my last will and testament. I will my only 100 on a Calculus test to Lesley Matthews. To Stacey Causey, I will my sunglasses to catch the glare from Mr. Wendel in computer class.

I, Peter Camaris, being of sound mind and body, do hereby state my last will and testament. I leave the burden of Mrs. Kasper's class to whoever is crazy enough to take it. May senior English be as much "fun" for them as it was for us. I also leave ten easy-to-learn dance lessons, to be given by Mr. "Disco", Joe Wendel, to Jennifer Matthews so fewer guys will have flat feet after dancing with her.

I, Colette Williams, being of sound mind and body, do hereby state my last will and testament. To Yolanda Stevens, I will my blue wind breaker because she loves to borrow it. I thought that she really enjoyed the color, but to my surprise, she was just hiding what she was wearing from Mr. Grahmann. I leave my seat in the Rice Raider band to Kelli Lanier. The next time Mr. Waggoner calls the flute section down for talking, she will be in the guilty seat.

The Raider Review would like to congratulate the graduating class of 1986, and wish them good luck in the future.

Local students chosen to attend Girls State

By LAURA APPELT

Sharon Shimek, Shari Popp and Danette Alvarado have been selected to attend the 1986 session of Bluebonnet Girls State, to be held at Texas Lutheran College in Seguin June 17-27. Junior girls who have demonstrated outstanding character and potential leadership abilities are eligible to attend Girls State. The faculty of the Rice High School makes the selection, and then it is approved by the school principal.

The purpose of American Legion Auxiliary Bluebonnet Girls State is to educate young women in the duties, privileges, rights and responsibilities of American Citizenship. It is a mythical 51st

State where the citizens organize their own city, county and state governments. They choose their own officials according to regular election procedures. They learn the duties of the various city, county and state offices. They introduce and debate their own bills in a legislature. Justice is administered by their own law enforcement agencies and courts. In Girls State, the citizens "learn by doing."

It is a great honor to be chosen to attend Girls State. It shows that you have proved your leadership abilities and have demonstrated outstanding character. Congratulations to Sharon, Shari and Danette for being chosen as Girls State citizens!

State solo, ensemble contest scheduled this Saturday

By SUSAN KALUZA

This Saturday, May 31, members of the Rice band will compete in the UIL state solo and ensemble contest at the University of Texas in Austin. To compete at the state level, the solos and ensembles had to make a first division rating at district.

The ensembles competing at state level are: a sextet brass ensemble consisting of Teresa Havens, Ann Marie Waggoner, Jose de la Garza, Edward de la Garza, Viola Cordova and Valerie Benge. They will be performing "March and Fanfare," a woodwind ensemble including Tina Grahmann, Susan Kaluza, Lena

Castillo, Debra Soto, Sharon Harborth, Melissa Engstrom and Carol Rhodes will perform "Allegro Assai." Two soloists also will be competing. Teresa Havens will play a trumpet solo titled "Haydn Concerto," and Patty Stephens will perform a piano solo titled "Sonata D No. 7."

Two B flat clarinet trios will perform, "Sonata D major," the first and third movements. One trio consists of Jennifer Matthews, Danette Pangel and Dolores Soto, and the other trio includes Lynette Banks, Jennifer Mader and Nora Sosa.

Good luck to all these performers at state.

Student Council selects project

The Rice High School Student Council recently selected its yearly project. This year the council decided to purchase a new podium to be used at school functions.

The council has had a very busy year. They organized the homecoming activities, ran the concession stand at JV and freshman football games, organized the annual

Powder Puff football game, decorated the Christmas tree in the Commons, worked with the blood drive, and presided over the annual academic awards banquet.

The council thanks their sponsor, Ronel Roberts, for his support throughout the year. Senior members with next year's council the best of luck for a successful school year.

Tracksters attend state meet

By TINA GRAHAMM

On May 16 and 17, members of the Raider girls' and boys' track teams traveled to Memorial Stadium on the campus of the University of Texas at Austin to compete in the 1986 Texas UIL state track meet.

Cleve Scott, a senior at Rice, ran the 100 meter dash. This was his second time to run in the state meet.

Emelda Clayton, also a senior, won second place in the 100 meter dash. She has competed on the state level during all four of her high school years. Renia Sanford, Veronica Woods, Emelda Clayton and Terri Clayton showed their running abilities in the 800 meter relay by placing fourth. Lisa Brown competed in the triple jump.

Congratulations to each and every individual who participated in the meet and keep up the great work!

Graduation Day

Today we'll start a new life
And we'll say our last goodbyes
To all our friends we've grown to love
With whom we've laughed and cried.
Remembering the fun and laughter,
The problems and the fears,
And watching all our memories
Throughout our high school years.
The memories of the dances and
New friends that we've met;
Vacations, teachers, talking, and
Exams we'd rather forget.
Yes high school days are precious,
Where all your dreams come true.
It's not the end but the beginning
Of a life we'll start anew!
