Dexter Anderson, Valerie Bengé honored at Lions' convention

Members of the Eagle Lake Noon Lions Club were honored this past weekend at the district convention when Dexter Anderson was nominated to the Texas Lions Club Hall of Fame.

Also, Valerie Bengé, daughter of Lion Major and Sandra Bengé was chosen as the district queen. The district convention was held in Austin.

Anderson was nominated from this district, and at the state convention June 6 and 7 on South Padre Island his acceptance into the Hall of Fame will become official. The fact of nomination is quite an honor since the district can make a nomination once each five years. There are about 44,000 Lions Club members in the state, and only 15 districts.

Miss Bengé was named district queen on Sunday, and will compete at the state convention for the title of Texas queen. She is the first Rice school district student to be named queen. Last year Tina Grahmann was named among the top finalists.

Rice High School Class of '86

Graduation Night Safety stressed by Lake Motors

With the memory of tragedy striking on previous graduation nights, Lake Motors, Inc. has expanded a program it started last year.

Just before the 1985 Rice High School graduation exercises, the dealership published two not only to the Rice School District advertisements in the Eagle Lake area, but if RHS students find themselves out side the area, they should call also.

This year, Joe Reed, owner of Lake Motors, and his son Tom, vice president, are offering a no-questions-asked free ride home should anyone attending parties that night feel the need.

"A new life begins graduation night, don't spread it one ad reads."

Graduation night is next Thursday, May 29.
