

We Salute the 1986 Rice High School Graduating Class!

These seniors were among those who received honors at the recent RHS Academics Awards Banquet. Their hard work, and the work of all members of the class, will lead them into the future.

We'll Bank on Your Future.

We at the First National Bank believe nothing is more important than your future. The job market of the future demands a good education, whether it be academic or vocational. We're anxious to help.

A student loan will assist you in overcoming the cost of tuition and other educational expenses. In many cases,

you won't have to begin repaying the loan until after you graduate!

Don't let a lack of funds keep you from getting the education you need. See us today! We'll lend you the cash for college at very competitive interest rates.

If you have the ambition — we have the financial backing.
