Hooper benefit dance, auction this Saturday

A benefit dance and auction will be held this Saturday, July 5 at the Community Center with proceeds going to the Scott Hooper fund to help with family expenses while Scott is a patient at Hermann Hospital. Immediately after the auction, a \$100 door prize will be given away. The door prize was donated by a private individual, and also many miscellaneous items from local businesses and individuals were donated for the auction.

Friends of the Scott Hooper family are very proud of the citizens of Eagle Lake for opening their hearts to a family who needs friends during this difficult time and ask everyone to come Saturday night and make the event a big success. Tickets will be available at the door.

Local special olympians bring hold gold and silver

On Saturday, June 21, three Colorado County special olympians traveled to Victoria to compete in the second annual Texas Special Olympic Area III swim meet. The athletes who attended were Sidney Liza and Denise Newsum, both of Eagle Lake, and Rex McCloud of Sheridan. Although this was the first year for these athletes to compete in the swimming events, their performance was remarkable.

The three brought home a total of six medals, three gold and three silver. Sidney, son of Pauline Lira, won gold medals in two events, the fifteen yard floatation race and the retrieve and score event. Denise competed in the same two events and took home a silver and gold medal respectively. Denise's parents are C.D. and Dorothy Newsum. Rex, son of David and Loretta McCloud, won two silver medals, one in the retrieve and score event and one in the fifteen yard walking race. These three athletes were coached by Judy Postojovsky of Altair and Jeannine Lowery of Alletton assisted.

Other teams participating besides the one from Colorado County included the Calhoun County Work Activity Center of Fort Lavaca, the Victoria Work Activity Center and the Lavaca Work Activity Center of Hallettsville. Close to thirty athletes competed in the events. The events were divided into three divisions:

swimming, diving and developmental swimming. The athletes could enter such events as the fifty yard freestyle, backstroke, breaststroke, or butterfly; the one meter diving; the retrieve and score; the fifteen meter assisted or unassisted swim and the floatation race. In the retrieve and score the athlete had to race the clock to see how fast he could retrieve five weighted rings off the bottom of the pool in three feet of water. The athlete had to submerge his face when retrieving the rings one at a time.

This year's swim meet was hosted by the Victoria County 4-H and Victoria Parks and Recreation Department and held at the Victoria Community Center Pool. Karen Goebel of Victoria was the meet director. She, along with her cheerful group of volunteers, can be congratulated for providing a delicious meal and a super exciting day for the athletes and coaches!
