Shooting sports, fishing leaders needed for 4-H

By Peggy Kalina, County Extension Agent
 The 4-H program is looking for adults who are interested in shooting sports (trap and skeet, rifle, archery) and fishing to serve as project leaders. This year these two projects will be organized as county-wide groups and will be open to all 4-H'ers in the county.

We need adults to share their knowledge and skills in these areas with youth. Parents will be available to assist the leaders with all activities. The County Extension Service will help provide materials and information.

If you are interested in helping the youth of Colorado County, call Peggy Kalina, county Extension agent, home economics at 732-2530.
