SUPPORT Rice Raider Football!!

Attend ALL the Games! And Enjoy the Weekly Headlight FOOTBALL CONTEST

\$10 to First Place

(Entry listing the most correct winners)

\$5 to Second Place

RULES:

Study the games listed inside each advertisement; each game is numbered. Pick the teams you think will win. Write those team names on the entry form, matching game numbers to the numbers on the form.

The entry with the most games guessed correctly will win \$10. The second-best entry wins \$5. First and second place will be awarded every week.

Entry forms must be in the Headlight office by 5 p.m. Friday before the games are played, or if mailed,

must have that Friday's postmark. Winners will be announced on this page the following week, except for the last week when they will be on the sports page. The contest lasts through November 13, 1986.

At the bottom of each entry form, write in the total points you think will be scored in that Friday night's Rice Raider game. In case of ties in guessing the number of winners, the score-guess will be the tie-breaker. If ties still exist, winners will be drawn.

Eagle Lake merchant Glenn Locklier was the first-place winner of last week's Headlight football contest, missing only one of the 14 games listed on the weekly football page.

Raymond Moreida who has a Rt. 1 mailing address, came in second. He also missed one, but Locklier receives the \$10 first-place check by guessing there would be 42 points scored in the Rice Raider-Sweeney Bulldogs game last Friday night. There were 43 points scored. Moreida guessed there would be 29 points scored.

Here are the results:

1. Rice 21 at Sweeney 22

2. Gonzales 12 at Columbus 20
3. East Bernard 4 at Hallettsville 23

The Eagle Lake Study Club will meet Wednesday, October 8 in the conference room of the Eagle and David Winterman Library at 2 p.m.

The program will be presented by Roselyn Cogburn, of Houston, who will review James Michener's book Texas. This very delightful and interesting person captivated her audience this past club year when she reviewed another book related to the Lone Star State. Last year's presentation was "Legendary Ladies of Texas."

Mrs. Cogburn writes "My review is really a dramatic presentation of the book. I tell the story; I dramatize it; I line it!" In her comments concerning Texas she writes "Texas is a big bold book peopled with heroes and heroines and ordinary men and women." She also notes that "Michener weaves 150 years of history into the lines of his fictional characters in such a heart-touching, soul-stirring way you'll want to stand up and cheer for TEXAS."

Study Club members are urged to bring guests to the meeting which is also open to others of the community wishing to hear the History 900-999, which will be reviewed. Members and guests will find in the entrance room, please notice the Library Members may ask for their Classification Display: Fiction and yearbooks at the library desk.
