

Bill Appelt (with notepad) meets Jimmy Reel Hunting Club guides and parties each morning at the Sportsman's Restaurant.

### Reel Club offers use of AT vehicles

Bill Appelt, manager of the Jimmy Reel Goose Hunting Club, is continuing the tradition started many years ago by the late J. R. (Jimmy) Reel, by providing duck and goose hunters with some of the finest facilities in this area.

Appelt has been associated with the hunting club for many seasons and now is one of the owners. His staff includes some of the top guides in the area, lined up for hunting on some of the best lands in the area.

Appelt reminds senior citizens and handicapped patrons who like to hunt that the club has All Terrain Vehicles available to make their hunt more enjoyable. Be sure to ask about them when hunting reservations are made.

The Reel hunters meet at Sportsman's Restaurant, next to the Sportsman Motel, in Eagle Lake. Hunters can be assured that the experienced guides will do everything in their power to make it an enjoyable and successful hunt. The club's leases are in the immediate Eagle Lake area, as well as in the Lissie and East Bernard areas.

Reel Hunting Club, you may call (809) 234-3808 or write to P.O. Box 83, Eagle Lake, Texas 77434 for information and reservations. You will be given assistance with hunting conditions, motel reservations and other services that promise to make your hunt with the Jimmy Reel Hunting Club a truly memorable experience.

## Sandhill crane hunting permits still required

Free federal sandhill crane permits again will be required of all persons hunting sandhill cranes during the upcoming hunting season. Texas Parks and Wildlife Department officials said the permits may be obtained by writing department headquarters or one of seven other locations. Requestors should include the name, address (including zip code) for each individual planning to hunt. Two weeks should be allowed for processing. The sandhill crane season opens November 8 in Zone A, November 29 in Zone B and

January 3 in Zone C (includes Colorado County). The season closes February 8 in all zones. After the hunting season, a sample of the permittees will be contacted through questionnaires to obtain data about the crane harvest. The permits may be obtained by writing any of the following locations: TPWD Headquarters, 4200 Smith School Rd., Austin, Tx 78744; TPWD Regional Office, 3407 S. Chadbourne, San Angelo, Tx 76901; TPWD Regional Office, P.O. Box 3369, Lubbock, Tx 79452; TPWD Field Office, 2736 S.
