Prairie Edge Museum Notes

Another good garage sale is now part of our museum's history. Thanks to all of you who by your purchasing and donating items, your helping this past Saturday and your helping us advertise played a big part in the sale's success.

There were over fifty visitors at the museum on February 14 and 15 with three being from the Dominican Republic. Three of others that I know of had the pleasure of touring our largest exhibit, the red caboose. One of the happiest little boys that I have ever seen was two-year-old Jordan Konescheck who, along with his parents John and Kathleen Konescheck, boarded the caboose. Jordan's only criticism was that we did not have a locomotive also. His great grandfather Edward Joseph Konescheck was for many years an employee of the Santa Fe here in Eagle Lake. I'll be glad to take you aboard the caboose if you will call me at 234-3361.

On February 3 Bill Harrison Sr. took members of the Lissie 4-H Club on a tour which, according to one of the leaders, was thoroughly enjoyed. The club members visiting the museum were as follows: Jeremiah Henry, Barry Anderson, Kristen Guthman, Sam Rubio and Jason Henry. They were accompanied by leaders Carolyn Gertson and Nancy Anderson.

The cast members for the comedy spoof *The Butler Did It* calendared for March 27 and 28 are as follows: Marilyn Thomas, Marie Argo, Vicki Powers, Mindee Porter, Aileen Peck, Jeff Frink, Tom

Sherick, Rev. George Welch, Tom Reed and Darrel Appelt. I plan to give the role played by each next week.

How we would like to have more of these wonderful old glass display cases that were such a part of our old stores! The memorabilia for our E.L.H.S. display continues to grow. High school annuals are such valuable sources of history. One young lady Michele Owens wanted to see a picture of the high school building where her mother attended. I'm thankful she could see a beautiful colored picture of old E.L.H.S. inside one of the yearbooks.

Several weeks ago I had the pleasure of showing highlights of our museum to a group of girls who belong to the CampFire Blue Birds. Recently I received personal thanks from each of these who not only wrote notes of appreciation and about their choice of exhibits but also illustrated their papers with drawings. These will be on exhibit at the museum. The girls who made the tour were as follows: Sara Glaiser, Jackie Schmitt, Bridget Baird, Sunny Gertson, Alicia Joy Hengst, Christy Noika, Nicole Chamberlain, Robyn Rucka. They were accompanied by Carolyn Baird. Their other leader Betsy Glaiser joined them for part of the tour.

The museum is open from 2-5 p.m. on Saturdays and Sundays. Special tours may be arranged by calling Bill Harrison Sr. at 234-2662 or Elizabeth Boothe at 234-3361.

Heritage House News By Patricia A. Horndt

Worship services were held Sunday afternoon for residents of Heritage House and were spiritually conducted by Rev. Richard J. Williams, pastor of Friendship Baptist Church. Residents attending the church services were thankful for Rev. Williams' visit and hope to have him visit again soon.

Bible class was held last Tuesday morning for residents and Rev. Fred Chambers led the class with his wife, Pam, singing as beautiful as ever. All of the residents that attended the class enjoyed Rev. and Mrs. Chambers' visit and are so thankful for the spiritual uplift. Rev. Chambers is pastor of Friendship Assembly Church in Lissie and the congregation visits the Heritage House each second and fourth Tuesday of the month at 10:30 a.m. The Heritage House staff and residents extend an invitation to the public to visit the facility for during the Bible classes with Rev. and Mrs. Chambers. We feel you will enjoy the classes as much as we do.

Also on Tuesday afternoon, residents were treated to an old-fashioned ice cream sundae social, complete with two kinds of ice cream, chocolate syrup and whipped cream topping. A large crowd attended the "summers" social and as we all know, ice cream is great any time of the year. Everyone enjoyed the delicious treat so much that a few residents asked for seconds, which they were delightfully served.

Last Friday afternoon, the annual Valentine sweetheart party was held for residents. The party was sensational once again, thanks to our wonderful hostesses, the AARP organization of Eagle Lake. AARP members attending were Jean McIner, Lila Armstrong, Eva Marshall, Mrs. Adolph Hollis, Marie Renken and Mrs. Albert Pustejovsky, with Tullie Anderson entertaining on piano.

The delightful group of ladies served delicious refreshments of Valentine heart candy, sugar cookies, sandwiches, cakes and Valentine heart punch to a large group of residents in the beautifully decorated

area of our dining room. The dining room was decorated in red and white with red heart streamers to set the theme for the event.

During the party, the annual crowning of the Valentine king and queen was held. This year's king and queen were residents Mr. and Mrs. Clarence Grace. They wore the traditional red capes and were crowned with king and queen hats (which they received for remembrance). Mr. Grace was presented a red carnation boutonniere and Mrs. Fannie Grace received a beautiful red carnation corsage for this special event.

The party was such a success and we want to thank all members of the AARP organization for the delicious refreshments, entertainment on piano and their delightful visits with all residents. Their visit again to our facility would be clearly enjoyed.

Mr. and Mrs. Herbert Hoffman had their 58th wedding anniversary also on February 14 and we congratulate the happy couple and wish them all the health and happiness for years to come.

Heritage House residents and employees are gearing up for their annual Wagon Train chili cook-off and dress-up day which is to be held this Friday. Employees will team up with residents to put together their favorite chili recipes and fill Heritage House with that special aroma of chili once again.

Western wear will be seen all over the home, so if you plan a visit to our facility Friday, wear your "jeans and boots".

Our hats off to all of the volunteers for Heritage House! We appreciate all the visits, donations, beauty and grooming care, social hour and bingo workers, grocery shoppers, the Ministerial Alliance for church services, party hostesses and other services the volunteers conduct for the residents and staff throughout the year. Without these volunteers our daily activities would be meaningless, so keep coming to visit us and thank for being a volunteer at Heritage House.

A beauty shop person is needed at Heritage House. We need a licensed beautician to do residents' hair once a week in our beauty shop. If you would be interested in being a beautician for our residents, please call Patricia Horndt, activity director, at 234-2591 to set up an appointment.
