Band notes Students attend MDA convention

by Jennifer Mader
On Friday, Feb. 13, the Rice High School band directors traveled to San Antonio, to attend a convention. Attending were Debbie Harbub, Jesus Gonzales, Mr. and Mrs. Kerry Porter and their daughter, Marissa.
The directors came up with many new ideas after hearing speakers at this convention. To prepare the band for next year, several summer programs will be held, including a band camp. The band members sold cookies from February 18-24 in order to raise money for future band activities.
Everyone is looking forward to next year's mighty Raider Band and hoping the summer program will turn out to be a success!

Next, everyone involved with the convention was introduced. They explained about camp and introduced an attendant and former camper. Film clips of all the different events sponsored by MDA were shown.
When lunch rolled around, Domino's Pizza was served. Due to the fact that 100 students over and above the expected 50 showed, the pizza became scarce and hamburgers were served to the remaining.
After lunch the group was split up into four smaller groups. Each group was given a bag and they were to come up with the "ultimate fundraiser". After about a 15 minute discussion, each group picked a speaker to explain their project.
Later Hollywood Henderson, a DJ, from 93 Q was a guest speaker. He gave out door prizes and Zoo laws. Most of the day was spent discussing different ways schools could have fundraisers. They ranged from selling shrocks, typing, Supadances.
The last item on the agenda was making a commercial benefiting MDA. It was a very fun but long hour. That seemed to be the highlight of the day. The convention ended at 3 p.m. as everyone walked out chattering about different ways their school could help "Jerry's kids".

FHA activity held at Rice

by Bonny McMarrrough
The week of February 8-14 was National Future Homemakers of America week. The chapter at Rice High School sponsored a student awareness booth in the Commons in recognition of the week.
The booth was run by FHA officers and members, and gave students who were not members a chance to learn about the program. On the table were two baskets: one contained questions, the other lollipops and both sported balloons with slogans supporting vocational education. To receive a lollipop, a student drew a question pertaining to FHA from the basket and had to answer it correctly.
The success of this booth was so great that the chances that it will be back next year to teach more students about the merits of FHA are great.

TEAMS test, underclassmen registration

by Dinne Glover
On Tuesday, Feb. 10, the eligible freshmen were given the Texas Assessment: Minimal Skills Test (TEAMS). The TEAMS test indicates students' strengths and weaknesses in reading, writing, and arithmetic which the teachers may use as guidelines of instruction with individual students. The TEAMS results are expected in the latter part of April.

Class of '87 selections made

by Lesley Matthews
On February 11, the senior class of Rice High School voted on the nominations for senior song, flower, colors, motto, and shirt. The nominations for the song were "The Greatest Love of All" by Whitney Houston and "The Love Theme from St. Elmo's Fire". Nominations for class flower were a red rose, a white rose, and a pink rose. The choices for senior colors that appeared on the ballot were blue and gray, blue and silver, and blue and pink. For class motto the choices were "What we are to be, we are now becoming".
The future belongs to those who dare. "The future belongs to those who believe in the beauty of their dreams", and "Cherish the memories of yesterday; savor the joys of today; nurture the promise of tomorrow."
There were also three different designs for the front of the senior shirts for the class to choose from.
The senior class selections are: song, "The Greatest Love of All"; flower, white rose; colors, blue and silver; motto, "Cherish the memories of yesterday; savor the joys of today; nurture the promise of tomorrow."

Who's zat?

by Kelli Lanier
Who's this little cutie all doled up in her Easter dress and bonnet? The only child given was that she is a member of the freshman class. Only a few people were stumped by these bright eyes. Bill Helfer assumed the little doll to be Tess Taylor, while Lesley Matthews decided upon Kim Corman. Bonny McMarrrough was certain that the picture was of Shee Mae Venhous.
Many students knew without a doubt who this baby girl was. They were Michael Popp, Allen Eggemeier, Jennifer Labay, Scott Williams, Brian Center, Debra Soto, Brad Baumgarten, and Glen Lippoldt. They all knew that this little girl had to be Lezi Schilling. Lezi is the daughter of James Allen Schilling of Garwood and Kathy Schilling of El Campo, and an active member of the mighty Raider Band.

Some kinds of hot water you can live without.

You and your family use a lot of hot water. So you want to know it's there when you need it. That's safe, clean and economical. What you don't need are the potential problems associated with flame type water heaters. Things like messy flues, smoke and fumes, or concerns over what happens when the flame goes out.

For safety, cleanliness and economy, electric water heaters are matchless.
Electric water heaters provide the safest, cleanest and most economical hot water around. And, they're easily installed. Unlike flame types, electric water heaters can be placed anywhere you like in your home.

If you're in the market for a new water heater, check out the electric ones. For safety, cleanliness and economy, they're simply matchless.
