## Riverside Restaurant

— Good Food Since 1940

Riverside Restaurant has good food, fair prices, and friendly helpful people. If it didn't, it would not have stayed in business since 1940!

The chef and manager, Allen Matthews, works along side the owner, Suzanne Sodalak. His wife, Berntha, is a waitress. Matthews also is the baker and makes the delicious, real pit barbecue which is only one of the many meals the restaurant has built its reputation on.

He may have been at the Riverside Restaurant for just two years, but he brings with him many years of experience from managing, cooking and catering. The Riverside is a family owned and operated business. Suzanne's father in law started it when he opened a small cafe next to the gas station, barbecue stand and rodeo center he had taken over from his father after World War II. It then was located along the banks of the Brazos River. That's how it got its name, Riverside. In 1964 the highway department wanted the land for I-10, so the restaurant relocated to the southeast corner of FM 1458 and I-10, two miles east of Sealy.

The restaurant was remodelled two years ago and now seats 100 guests. It also has a banquet room for large parties and special occasions.

Mr. Matthews says the restaurant has a delightful selection of soups and salads, pastries,

fresh vegetables, lean meats, seafood, and pies and cakes. Yes, they also serve hamburgers and french fries. A noon buffet is served each Monday through Saturday 10:30 a.m. to 3:00 p.m. Evening specials are available week nights. The Riverside is open at 6:00 a.m. for breakfast Monday through Friday.

The Riverside can cater any size party from 50 to 500. Meetings can be held in its banquet room.

Suzanne and Mr. Matthews will be delighted to see you.

Riverside Restaurant, at the intersection of FM 1458 and I-10 east of Sealy looks like this today (above), but years ago (below) it looked a little different inside and out.

Carnival opens next week: booths, other activities April 10, 11

## AprilFest celebration centered on KC land

The annual AprilFest weekend is scheduled for next week under the auspices of Revitalize Eagle Lake, Inc., according to Roy Van Nort, president.

Most of the activities again will take place on the local Knights of Columbus' land on FM 3013 just south of the Hwy 90-A intersection. There are other activities scheduled that week in conjunction with AprilFest, to be held at other locations.

Van Nort said the central theme of AprilFest is a local celebration of our community for local people, and that net proceeds are used in the community in Revitalize Eagle Lake benefit projects.

A new carnival will set up next week. Van Nort said. A one-year contract was signed last year with C&R Shows which

has played in the area at Colorado County Fair. Van Nort said the carnival is in Cuero this weekend and will pack up their equipment next Monday and head toward Eagle Lake. They will be open sometime during the week. AprilFest is billed to open Friday April 10 and run through Sunday, April 12.

One of the highlights on the carnival grounds will be a Cantina area where food booths will be centered on one side and a small stage on the other. The stage will be used for entertainment as well as the usual carnival contests. Members of the Knights of Columbus here will run the beer booth.

Also on the carnival grounds an obstacle course will be established for youngsters. Here are other AprilFest highlights:

"The Barbecue Cook-Off" is being handled by Kay Clifton who may be reached at 234-5521 or 234-3798. Entry forms can be found in elsewhere in this edition of The Headlight. The barbecue will be judged on appearance, texture, taste, tenderness and aroma. Trophies will be awarded to first, second and third place teams. The deadline for entries will be April 9 at 5 p.m.

"The fifth annual Fun Bridge Tournament" is scheduled for Saturday, April 11, from 1 p.m. to 4 p.m. The tournament will be held at the Farris 1912 and the entry fee is \$10 per team. Those interested should contact Robin Clifton at 234-2675 or 234-7573. When you call, the team will be issued a team number and table number and the fee will be collected at the beginning of the

tournament. Beginners are encouraged to participate.

"The 1987 Little Miss and Mr. Eagle Lake Contest will be held at the Eagle Lake Middle School Auditorium at 1:30 p.m. on April 11. Contest dress will be casual springtime. The entry fee is \$5.

For more information contact Lynda Appelt at the Primary School. Entry forms may be picked up at the Eagle Lake Headlight office or at Kid's Korner. Entry deadline is Wednesday, April 8 at 5 p.m. Forms may be returned to Kid's Korner or to Beverly Taylor, chairman of the committee. Entrants may be first, second, or third grade students at the Eagle Lake Primary or Middle Schools.

"The April Fest Committee also is sponsoring a Queen's Contest in conjunction with the AprilFest. The contest will be held on Saturday, April 11 at the Eagle Lake Middle School. The contest will consist of two areas of competition: 1) talent and 2) formal attire. There also will be an informal interview by the judges prior to the contest. It is for girls in the 9th-12th grade.

Linda Balas is chairman of the Queen's Contest committee. For further information about rules and regulations concerning the contest, you may contact Mrs. Balas at 234-3804 or 234-2502.

"Anyone interested in having a booth at April Fest should contact Paulette Klockman, committee chairman of April Fest, at 234-2473 (business) or 234-2876 (home).

The second Johnny's Sport Shop fishing tournament was held last Saturday afternoon, March 28. Thirty-six fishermen entered the contest but the fishing was slow.
