Montgomery-Thatcher Cemetery Association holds meeting

The Montgomery-Thatcher Cemetery Association met at the Parish House of Christ Episcopal Church Saturday, June 27, for their annual meeting.

After the business meeting and luncheon, Dorothy Cox spoke on the Thatchers and Montgomery's who took part in the Civil War and displayed two letters, one from John G. Montgomery, who wrote from Atchafalaya, Louisiana in October, 1863, and the other from his wife, Ann, who wrote of the conditions on the home front in Colorado County in June of 1864.

Afterwards, members went to the Montgomery-Thatcher Cemetery where two Civil War markers had been placed to mark the graves of Samuel S. Montgomery and his brother, William W. Montgomery.

•Nicholas Teague, seven year old son of Billy and Debbie Teague, was unfortunate Sunday afternoon. He fell off a swing and broke his right arm in three different places. •Stacie Marie Mueller, daughter of Stacy and Marilyn Mueller, was also unfortunate Sunday afternoon. •There is a new time and temperature sign up on the corner of the First National Bank building. The sign was being put up Tuesday and will now tell us how hot it really is!

Chamber president speaks to Pilots

The Pilot Club of Eagle Lake met for their regular monthly program meeting Wednesday, June 24. The honored guest and speaker for the occasion was Tom Reed, president of the Eagle Lake Chamber of Commerce.

Mr. Reed spoke of the Chamber's activities this year geared to enhance and attract industry to Eagle Lake. He feels that by attracting industry to Eagle Lake it would provide jobs and create an incentive for the young people of Eagle Lake to come back here to live when they finish college. This, of course, would mean better living conditions in Eagle Lake and more dollars spent in town. He is real excited about the S.E.L.F. project and feels it will be one of the most effective projects for the Eagle Lake merchants and he encourages everyone to suoport the project — and Shop Eagle Lake First!

During the lively question and answer session, Mr. Reed was asked how he was going to attract industry to Eagle Lake and still keep it a small town? He answered by saying that while some people do not want the face of Eagle Lake to change, we need to do something to interest the average person to Eagle Lake. He did not feel that Eagle Lake would ever be more than a "small town", even if its size doubled.

The Pilot Club looks forward to working wiht the Chamber in an effort to improve Eagle Lake's economy and create jobs for the community.
