(Entry listing the most correct winners)
\$5 to Second Place

RULES:

Study the games listed inside each advertisement; each game is numbered. Pick the teams you think will win. Write those team names on the entry form, matching game numbers to the numbers on the form.

The entry with the most games guessed correctly will win \$10. The second-best entry wins \$5. First and second places will be awarded every week.

Entry forms must be in The Headlight office by 5 p.m. Friday before the

games are played, or if mailed, must have that Friday's postmark. Winners will be announced on this page the following week, except for the last week when they will be on the sports page. The contest lasts through November 5, 1987.

At the bottom of each entry form, write in the total points you think will be scored in that Friday night's Rice Raider game. In case of ties in guessing the winners, the score-guess will be the tie-breaker. If a tie still exists, winners will be drawn.

Dr. Euers was incorrect on games 4 & 7 while John Dornak missed numbers 7, 10 and 12. Please... be sure your check the number on each game. There were several entries this week who switched a couple of games. Remember... they do not always go in numerical order.

The tough one this week was game #7 (Dallas & New York). Only 2 entries went with New York... almost 95% chose Dallas to win. Games #8 and 12 gave two-thirds of the entries trouble.

Remember... be sure your choices are in the correct order... watch the game numbers!

The annual staff would like to extend congratulations to the new members and best wishes for a successful year.

Charlotte Korenek, left, receives the first "student pride award" from Mr. Graham, principal.

Student pride award given

By DIONNE GLOVER

Rice High School will be honoring an outstanding student each week. A committee of three anonymous faculty members will select a student based on attitude, participation, loyalty and pride in school. Other factors such as conduct, attendance, punctuality and cooperation will also be important in the selection of an

outstanding student.

Along with the honor of being named outstanding student, an "I Love Rice High School" pin will be given and the student's picture will be published in the Raider Review.

The winner for the week of September 7-11 was Charlotte Korenek. Charlotte is the daughter of Mr. and Mrs. John Lee Korenek of Nada.

Meet the Raiders

By PATTY STEPHENS

Each year the Raider Review interviews some of the mighty Raider football players. To start off this year we interviewed Douglas Tillman Jr. who wears jersey number 34. Douglas is a six foot, 190 pound senior and plays the positions of offensive fullback and defensive strong linebacker.

Douglas has a good outlook on this season. He thinks the Raiders can advance to the state finals as long as everyone keeps working hard each day. He feels the strong points of the team are the passing attack and the goal line defense. The only problem he sees with the team is the secondary is a little weak, but Douglas says they are improving. When Douglas was asked who the toughest team to beat was, he said, "There is no team tougher than the fighting Raiders."

This is Douglas' last year of high school football and he feels that the seniors on the football team will set a good example for the juniors to follow. Douglas is the son of Mr. and Mrs. Douglas Tillman of Eagle Lake.

Beat egg whites with sugar until stiff but not dry in small mixer bowl; set aside. Beat egg yolks until thick and lemon-colored in large mixer bowl. Add buttermilk and oil; beat. Sift together dry ingredients; stir into egg yolk mixture. Beat until smooth. Stir in rice; fold in egg whites. Bake in hot waffle iron until steaming stops and waffle is golden brown. Serve with Peach Butter, if desired. Makes 6 servings.

"Peach Butter" - Beat 1/2 cup softened butter or margarine until fluffy. Add 1/2 cup peach or apricot preserves and 1/8 teaspoon nutmeg; beat again.

Each serving provides: 208 calories, 0.3 grams protein, 15.3 grams fat, 18.7 grams carbohydrate, 159 milligrams sodium, 41 milligrams cholesterol.

A new face in the crowd

By JENNIFER MATTHEWS

Every year as school opens there are some new faces in the crowd. Each week the annual staff tries to welcome a different student and find out his/her impressions of Rice High School.

This week we interviewed a new senior, Robert Shaver. Previously from North Carolina, Robert lives in Eagle Lake. His hobbies include football, baseball and horseback riding. He is the son of Charles and Gladys Shaver and has five brothers and two sisters.

While living in North Carolina, Robert attended East Mecklenburg High. When asked what he thought about Rice in comparison, he said that it was much smaller than the school he came from, but the people are friendly and easier to get to know. Robert's first impression was that Rice was going to be a fun school.

The annual staff hopes Robert's year is enjoyable and wishes him lots of luck this year at Rice.

Robert attended East Mecklenburg High. When asked what he thought about Rice in comparison, he said that it was much smaller than the school he came from, but the people are friendly and easier to get to know. Robert's first impression was that Rice was going to be a fun school.
