Garwood/Nada Community News

By GEORGIA MICHALKO

On September 8, St. Mary's Church in Nada became the beautiful setting for the Marion Year priests' pilgrimage for the diocese of Victoria. Thirty-three priests, including the Most Reverend Bishop Charles Graham, of the Victoria Diocese, and the Most Reverend Bishop Hugo Gerbermann, of Nada, attended.

Vespers were sung beginning at six o'clock followed by procession to the cemetery where the Rosary was recited. At 7:30, a High Mass was celebrated with Bishop Graham serving as the main celebrant. The choir from St. Philip's Parish of El Campo joined St. Mary's youth choir under the direction of Eddie Kuesen in the singing of the Mass.

Following the Mass, members of the CYO served cake and punch on the church lawn while the clergy were served refreshments in the parish hall. The members of St. Mary's Parish were very pleased to have guests attend from many neighboring communities. This day became even more special because September 8 is the feast of the Nativity of the Blessed Virgin Mary, the patroness of this church.

On Saturday, September 19, Mr. and Mrs. Edward Korenek travelled to Assumption Seminary in San Antonio to attend the ordination of Gary Janak, of Palacios, to the order of Deacon for the service of the church in the Victoria Diocese. Greg Korenek, son of Edward and Bernia, also attended. Greg and Gary entered the seminary together in August of 1982. Greg is now serving his year of internship at St. Anthony's Parish in Palacios.

Mrs. Frieda Kubesch was very pleased to have visitors in her home for the weekend. Among her guests were: Mr. and Mrs. Ken Truman and Gale of Friendswood; Mr. and Mrs. W.C. Gohke and grandson, Bradley, of Sheridan; Mrs. Ray Kubesch, Shannon and Shayne of Wharton; Mr. and Mrs. Fred Kubesch and Wesley of Victoria; Jeff Truman of Atlanta, and Mrs. Beth Frazier of Houston. The family and friends enjoyed a delicious barbecue and also a sporting dove hunt that afternoon.

The descendants of Rudolf and Amalia Gold held the 13th annual Gold reunion on Sunday, September 20. Mr. and Mrs. Albert Gold, along with their children, hosted the day at their home. The day began with an outdoor Mass by Reverend Paul Razz followed by a delicious covered dish dinner. The rest of the day was spent in a variety of enjoyable ways - playing volleyball and cards, visiting with old friends and watching home videos of family. Guests came from many places near and far, like Weimar, El Campo, Wharton, Shiner, Dubina, Houston, Austin, Eagle Lake, Rosenberg, San Antonio, Louise and Blessing. The family was especially happy to see LaVerne Haller, daughter of Mr. and Mrs. Edwin Gold, who came all the way from Salem, Oregon. Of the approximately 90 descendants, the only ones who couldn't come were James and Sandy Gold, who are living in Saudi Arabia.

The board of directors of the Garwood Water District met on Tuesday evening, September 22. At that meeting they took action they hoped would please many customers with similar requests. During the months of June, July and August, the district will charge sewer service for only the first 15,000 gallons of water used. The remaining water service rate will remain the same. The board also chose new officers for the remainder of this term. Mike Michalko will serve as president; Mark Waligura, vice president; and Gay Stephens, secretary.

Nada Catholic Daughters of America hold monthly meeting

Court of Our Lady of the Rosary met in regular session on September 22. Prior to the meeting Mr. John Collins of Goliad gave an interesting speech on the history of the Victoria diocese. It was amazing to hear how the events of Texas history coincide so closely with the spread of the Catholic religion. Mr. Collins donated a book, *Presidio La Bahia*, to the St. Mary's school library. It is a collection of every item that could be found in regards to the ruins of the old Goliad mission and presidio.

Regent Virginia Balusek opened the meeting with the opening ode and pledge to the flag. Msgr. Victor led the court in prayer for vocations. Door prizes were awarded. The court enjoyed refreshments served by the hostesses. The next meeting will be October 13.

Who's zat?
By PATTY STEPHENS

Who's this little guy thrilled with her Easter eggs left by the Easter bunny? This question left most of the students at Rice baffled. The only clues given to her identity were that she was a junior from Eagle Lake.

Tess Taylor, Krista Miller, Sam Hernandez and Rhonda Prazak pondered over this picture and decided that she was Scarlett Crane. When Becky Faichinger, Scott Ripper, Dora Hernandez and Ray Turner saw the picture they were certain she was Renee Balas. Let's Schilling, Joe Lee Perez and Norman Breiman said those eyes had to belong to Jennifer Matthews, while Brian Balas and Cash Coble were positive those eyes belonged to Kim Garrett. Scott Richter, Sher Sunderman and Mitchell Miller had no idea who she was.

Five seniors did correctly guess this week's Who's Zat. They were Leslie Sunderman, Trip Clispson, Joe delGara, Louis Stiles and Lane Thomson. They recognized that twirler smile as belonging to Dominique Isenhower.

Dominique is an active member of Student Council and is the National Honor Society reporter. She is also a twirler and vice president of the junior class. Her parents are Nelson and Michele Isenhower of Eagle Lake.

Meet the Rice Raiders

This week we interviewed two important members of the Rice Raider varsity football team. They are Mark Kuchera and Johnell Dogins.

Johnell is a senior, measures 6'1", weighs in at 200 pounds. He plays tightend and linebacker and wears jersey number 84 on Friday nights. He thinks that the Raiders have a good chance to advance to the playoffs. When asked who the toughest team to beat in the district will be, Johnell said Brookshire Royal. Johnell says that the Raiders tend to lighten up after the contender scores. If they can keep players tough they will be able to pull out a win. Johnell is the son of Anestrice and Edmond Frazer.

The other player is Mark Kuchera. Mark is 17 years old and weighs 200 pounds. He plays offensive guard and wears jersey number 74. Mark feels the strongest part of the team is the linebackers on defense and his greatest weakness is the execution by the team as a whole.

Mark encourages the seniors to play their very best this year and leave Rice High as the best team yet. He feels that if the team concentrates on the plays they should go far this year. Mark agrees with Johnell on who the toughest team to beat will be, "definitely Brookshire Royal."

When Mark was asked what the outcome of the Raider-Cardinal game will be he said, "The Raiders will definitely dominate the game."

Mark is the son of Wilbert and Vernell Kuchera of Eagle Lake. Come out and support the Raiders in Youkum this week. Good luck "Big Blue."

TEMPORARY CROWNS

If you're waiting for a crown to be fitted to a tooth, chances are you'll be given a temporary crown until the permanent one is ready. The "temporary" will have cosmetic value in maintaining the appearance of your mouth. It will also serve some important functions, such as maintaining a proper space and bite relationships with adjacent and opposing teeth.

Often the temporary crown will be made of acrylic material of the exact shade to match your other teeth. But it is not intended to last very long, only until the permanent crown is in place to give the tooth long-lasting protection.
