Homecoming - a night to remember

By JENNIFER MADER

Spirit week, the crowning of the queen, the football game against Belville, and the dance afterwards... these all seem to be major parts of a big event - homecoming! However, homecoming is more than that; it is a time for Rice High School graduates to return and renew old friendships and relive past homecoming memories. Every student becomes involved in the tradition and spirit of the event.

The boys who didn't ask a date will probably attend the activities and spend the night dancing and talking to friends. Most single girls don't worry about the night, as they plan on celebrating with friends just as the guys do. And "daddy" still comes through with the traditional mum!

No matter how students plan to spend the evening, they will make the most of it. After all, homecoming is a special night just waiting to happen!
