Mrs. Raabe, Room 23:

Local teacher attends conference

Local teacher Lynda Appel was one of 500 participants of the Texas Classroom Teachers Association annual leadership conference held in Austin July 31-August 1. TCTA is an organization representing 25,000 classroom teachers with headquarters in Austin. Teachers attending the conference heard Comm. of Education William N. Kirby speak at the opening session. Participants also had an opportunity to attend mini-conferences on legal and legislative issues, effective public relations, and career ladder/appraisal issues. TCTA's leadership conference is an annual event that offers its leadership an opportunity to learn new techniques and assist them with dealing with current educational issues and problems. State President Wendell Whittember presided over the conference. "By participating in this conference, our teachers and leadership have demonstrated that they are committed and dedicated to being the best they can be and to providing the best possible education for their students," he said.

Lessons in Arithmetic

*He was teaching her arithmetic.
 He said it was his mission;
 He kissed her once, he kissed her twice
 And said now that's "addition."*
*And as he added smack by smack
 In silent satisfaction,
 She timidly gave him one back
 And said now that's "subtraction."*
*And he kissed her and she kissed him
 Without an explanation,
 And then they both together said:
 Now that's "multiplication."*
*But Dad appeared upon the scene
 And snorted his decision,
 And kicked "Poor Him" three blocks away.
 And said, now that's "division."
 —Exchange*
