DAR members met at Duncan home
On Monday, December 11 the John Everett chapter of the Daughters of the American Revolution met in the exquisitely decorated home of Ann Duncan, south of Eagle Lake.
Ann Duncan, the national defense chairman, read an essay on the responsibility of citizens to oversee the government. She pointed out that everyone should be law abiding and expect those who represent them to pass fair laws, that one should be educated and aware of current events, and should petition their representatives. The citizens' most powerful weapon is the ballot and that when more people vote, more may be expected of the representatives.
Jo Lou Parks, Good Citizen Awards chairman, presented the seniors who received this award. They are Bradley A. Baumgartner, Rice High School; Alicyn Marie Sebasta, Columbus High School; Gwynn Grohmann, Weimar High School; Barbara Ann Konecna, Sacred Heart High School; and Joel Montgomery, Hallettsville High School. The winner to represent this chapter is Joel Montgomery.
A lovely Christmas tea was served to the group present.

New Arrival

Brittany Maree Higgins born Dec. 30

Jerol and Tammy Higgins, of Denton, have become the proud parents of their first child, a baby daughter, born on December 30, 1989 at 2:31 a.m. at the Denton Community Hospital in Denton, Texas.
She was named Brittany Maree and weighed 6 pounds, seven ounces and was 19 inches long. The attending physician was Dr. Cummins.
Her grandparents are Frank and Anna Lee Higgins of Eagle Lake and Don and Donna Rowe of Wichita, Kansas. Her great-grandparents are Mrs. Alma Higgins of Alvin, Mrs. Ruby Lee Smith of Houston and Mrs. Jewell Foster of Wichita, Kansas.
Brittany is the first baby girl born in three generations of the Higgins family.
The mother is the former Tammy Rowe of Arlington, Texas.

Eagle Lake Community Hospital

PRESENTS FREEDOM FROM SMOKING

a unique program to help you KICK THE CIGARETTE HABIT!

The Ad Image is Clean, Cool. A sparkling mountain lake. With a pack of cigarettes pointed straight at you. And behind the image? What clean about the hot smoke you inhale? How does your body react? How does the smoke affect non-smokers nearby? Take a look at the facts about your lungs... Each year 350,000 Americans die prematurely from the effects of smoking. Millions more live on with crippled lungs and overstrained hearts. Cigarette smoking is a major cause of -emphysema -lung cancer -chronic bronchitis -coronary heart disease. There is no controversy about the facts. Thousands of careful studies have documented them. No major medical or health agency questions them. One cigarette... the longer you smoke, the deadlier it is. But it doesn't take years for smoking to affect you. Just a few puffs can hurt. Just one cigarette... speeds up your heartbeat... increases your blood pressure... ruptures the flow of blood and air in your lungs... causes a drop in the skin temperature of your fingers and toes. Learn more about the perils of smoking and how you can "kick the habit". **FREE ORIENTATION** Thursday, January 11, 7 p.m. New Class Begins Tuesday, January 23, 6 p.m. Hospital Meeting Room.
