Raider Review

A late addition to R.H.S. Rice High School 'Sweetheart' Dance

A late addition to the Rice High School Faculty is Romy G. Jones, who has been hired to take the place of Mrs. Faetche, who taught Math until mid-term. Mr. Jones commented that he loves working with young people, watching them grow and develop into adults and he hopes that he can be a positive influence in each of their lives.

Mr. Jones holds a B.S. Degree in Chemistry and math which he earned at East Texas State University, and a Masters Education Degree from Southwest Texas State University. Besides teaching in Sheridan, Mr. Jones has previously taught at San Marcos, Louise, Columbus, Chemical Research and Bellville.

"I like Rice! It is like home to me because I know a lot of people. Here, students want to learn and I want to teach," was his comment about our school. Mr. Jones commented that he loves working with young people, watching them grow and develop into adults and he hopes that he can be a positive influence in each of their lives.

Mr. Jones teaches Algebra I, FOM and Consumer Math. Outside of teaching he enjoys hunting, fishing, shooting, photography, golf, tennis, working at the ranch and building things.

Members determined the form of dress and costs of tickets. Any person attending should be dressed semi-formally. This will in turn help each person to act according to dress. Tickets will go on sale February 1, 1990 during both A and B lunches. The cost will be \$2.00 individually or \$3.00 a couple. Any student bringing someone from outside of school will be held responsible for that person's actions.

It is hoped that everyone will come out and support our attempt to successfully hold this social event.

Rice U. I. L. participants in practice, district meets

By DARRYL ANDERSON

This year Rice High School is showing its academic excellence through its U. I. L. participation. For the first time in several years, Rice is near full strength with a participant in nearly all areas of competition.

On February 3, the full team will be traveling to Giddings for a practice meet. Other parts of the team will be traveling to different meets before the district meet, held between March 24th and March 30th.

For those individuals who place in the top three positions of their event, Regionals is the next step. Held in Kingsville on April 20-21, it is the stepping stone to the state meet in Austin later in the year. This year's participants include Becky Korenek, Noble Anderson, Joshua Grahmann, Shelly Slavinski, Laura Rodriguez, Trino Maldonado and Welby Horton in Spelling, Heather Abel, Darryl Anderson and Jaime Marquart are entered in Number Sense, and Heather Abel and Trino Maldonado will compete in Literary Criticism. Todd Mascheck is in Calculator Applications while Kim Powers and Bonnie Foshee are entered in Informative Speaking. The Journalism participants include Brad Baumgarten, Christina Smith, Janie Botard, Kristen Vojacek and Darryl Anderson. These students are all under the charge of Mrs. Lillian Gholke, the school's librarian while Mrs. Judy Engstrom coaches the Accounting and Typing competitions.

Her Accounting staff includes Trino Maldonado, Sharr Querner, Gizele Williams and Russell Labay, with Laura Rodriguez, Fredressa Fairchild, Dawn Piccolini, and Terria Edwards rounding out the Typing team.

Mrs. Billie Jean Jackson is in charge of One-Act Play and Debate with her One-Act Play cast formed by Lana Hutchison, Heather Abel, Erika Ledezma, Jill Janish, Welby Horton, and Tracey Jones.

Mrs. Tommie Lynn Holden coaches the Prose and Poetry divisions with Tricia Thomas participating in the Poetry competition. In the Prose category, Tess Taylor, Kim Corman, Leslie Schilling and Heather Abel are busy preparing their readings.

Mr. Gerald Streit coaches the Science team which consists of Preston Broesche, Hector Tapia and Dawn Piccolini.

Mrs. Sue Jones is the Ready Writing coach in which four future authors, Trino Maldonado, Vicki Drik, Shannon Smith and Anessa Williams are preparing for.

If any student would still like to participate please see Mrs. Gholke and join the action. There is still enough room for you.

School Menu

Milk served with meals.

Thursday, February 1: pork chops, seasoned rotini, English peas, applesauce, hot rolls.

Friday, February 2: saucy turkey fajitas, buttered corn, fajita salad, banana pudding.

Tuesday, February 6: burritos and chili, pinto beans, cabbage slaw, fruit cobbler.

Wednesday, February 7: pork ribs on bun, barbecue sauce, potato rounds, catsup, chunky salad, sugar cookies.

Thursday, February 8: beef stroganoff and rice, mixed vegetables, peaches, whole wheat rolls.

Friday, February 9: baked ham, candied sweet potatoes, turnip greens, ambrosia, angel biscuits.

Scholarship deadline draws near

High school students who are interested in applying for \$1,000 college scholarships should request applications by March 16, 1990 from Educational Communications Scholarship Foundation, 721 N. McKinley Road, Lake Forest, Illinois 60045. To receive an application, students should send a note stating their name, address, city, state and zip code, approximate grade point average and year of graduation. Sixty-five winners will be selected on the basis of academic performance, involvement in extra-curricular activities and need for financial aid.

Apply now for college financial aid

Students planning on attending college during the 1990-91 academic year are wise to apply for college scholarships, grants and other financial aid programs at the beginning of the New Year. Many scholarships are awarded on a first-come-first-served basis; therefore, those taking the initiative now will have a better chance of getting the financial aid for which they apply.

To assist families in locating these scholarships and determining how much money they are eligible for in the form of state, federal, and special campus-based student aid programs, Academic Resources is now offering a sophisticated computer service that analyzes a student's individual family circumstances and prepares a computerized step-by-step outline illustrating what action the student needs to take to be assured of qualifying for his share of the \$21 billion in student aid that will be available for the 1990-91 school year.

According to the company's Director, Bonnie K. Moore, students complete a short background questionnaire that asks about their income, expenses, academic abilities, and a list of the schools they are considering attending. This information is entered into a computer that analyzes each student's particular circumstances and prepares a 40-page report guiding the student through the steps they need to take to complete state and federal student aid applications in a manner that will ensure the best chance of receiving an award. Included in the report is a complete printout of the special campus-based student aid programs available at each school the student chooses and the steps necessary to apply for each of these programs. For information write: Academic Resources FA1289, 1143 Rockingham Dr., Suite 107, Richardson, TX. 75080, or call 214-952-1360 or 1-800-729-1384.

Laney promoted in Marines

Marine Pfc. Katherine J. Laney, daughter of George E. Oradovsky of Eagle Lake, was promoted to her present rank upon completion of the Marine Aviation Mechanized Supply Course.

During the nine-week course conducted at Naval Technical Training Center Meridian, Miss., Laney was provided with the background necessary to perform aviation supply duty in Fleet Marine Force aviation units.

Her instruction included material handling, procurement and inventory, and the preparation of files and reports. She was also taught the procedures needed to maintain a squadron's operating fund.

She joined the Marine Corps in March 1989.

South Texas Medical Clinics P.A.
in El Campo

is proud to announce the association of

P. Stuart Crandall M.D.
Diplomat American Board of Family Practice

Dr. Crandall attended Baylor College of Medicine graduating with honors. He is a member of the American Academy of Family Physicians, Texas Medical Association, Nueces County Medical Society, Physicians Rehabilitation Task Force, (Representative for Tri County Medical Society to the Texas Medical Association 1986-1988) and the Education Committee, Texas Academy of Family Physicians. He has previously practiced at the Memorial Medical Center in Corpus Christi and was also a clinical instructor of the Family Practice Residency Program.

While teaching at the Corpus Christi Family Practice Residency Program, Dr. Crandall was recognized for the following achievements: Outstanding Teaching Award, Year II, House Staff certificate of Appreciation for excellence in teaching, Year III.

Dr. Crandall will be a full time family practice physician at the South Texas Medical Clinic in El Campo.

Meet the Lady Raiders

by BECKY FAICHTINGER

Playing host for the Lady Raiders this year is #13, Melissa Guthmann. You can see this sophomore rebounding under the basket and blocking out shots on the court. Melissa feels that the team has a good chance of going all the way this year. She commented that their most difficult opponent will be Needville because of the Bluejays rough defense.

When Melissa was asked about some of the bad and good points on the team, she stated, "we shouldn't always force the ball to each other, but I feel we play good defense." Melissa will also be involved in track this year.

In her spare time, she enjoys playing basketball and softball.

Melissa is the daughter of Marcus and Billie Guthmann of Eagle Lake.

Jackson is 'Student of the Week'

By HEATHER ABEL

The Student Pride winner for the week of January 22-26 is Senior, Lloyd Jackson. He is the son of Maxine Jackson and is the grandson of Willie Jackson of Eagle Lake.

On receiving the award, Lloyd said, "It was a great surprise because I don't understand how I won it, but I am very pleased with the award." Lloyd is very active on the Raider basketball team, and outside of school he enjoys watching sports on television.

Their moment in glory

by JANIE BOTARD

On Saturday, January 20, Eagle Lake hosted several surrounding schools in their annual Special Olympics. Each participant showed their special abilities in a variety of basketball events.

The morning started off with a parade of the athletes around the Eagle Lake Middle School gym, then the games began. The events tested the athletes skills in rebounding, shooting and dribbling the basketball. After the events, a lunch was prepared for the athletes and volunteers. The scores of the morning events were tabulated and the award presentation followed the noon meal.

After the competitions were completed, Chris Rodriguez and Shannon Pustejovsky DJ'd a dance for the special athletes. Other students who volunteered were Stephanie Causey, Chris Jackson and Janie Botard.

The Special Olympics were a huge success. It not only gave the athletes a chance to compete, but it also gave them a chance to be in the center spotlight.

Honor roll students

by ANESSA WILLIAMS

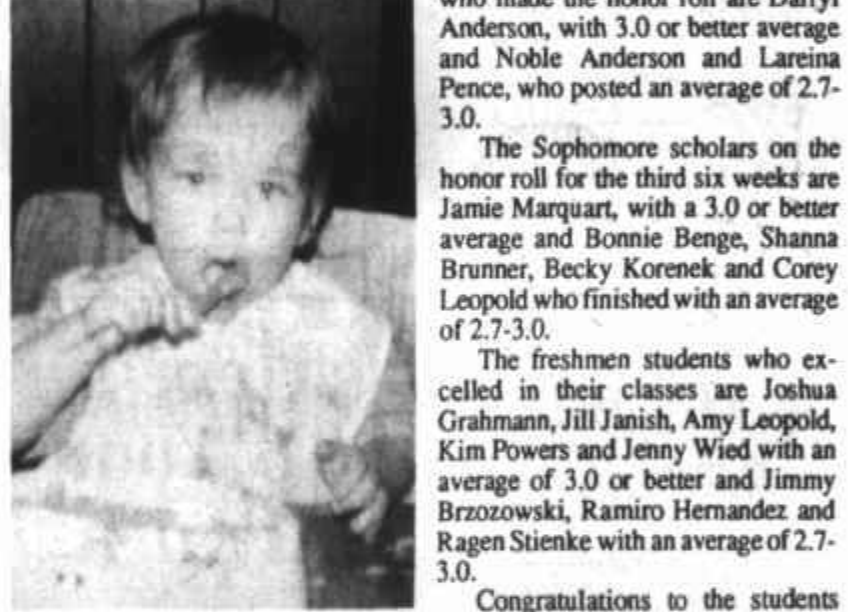

As the semester ends, it marks the end of the grades that are recorded for the members of the senior class. The seniors who excelled in academic achievement for the third six weeks are Brad Baumgarten, with a 3.0 grade average or better and Linda Gold, Scott Janish, Russell Labay, Trino Maldonado and Sharr Querner, with a grade average of 2.7-3.0.

The members of the junior class who made the honor roll are Darryl Anderson, with a 3.0 or better average and Noble Anderson and Laraina Pence, who posted an average of 2.7-3.0.

The Sophomore scholars on the honor roll for the third six weeks are Jamie Marquart, with a 3.0 or better average and Bonnie Benge, Shanna Brunner, Becky Korenek and Corey Leopold who finished with an average of 2.7-3.0.

The freshmen students who excelled in their classes are Joshua Grahmann, Jill Janish, Amy Leopold, Kim Powers and Jenny Wied with an average of 3.0 or better and Jimmy Brzozowski, Ramiro Hernandez and Ragen Stienke with an average of 2.7-3.0.

Congratulations to the students and keep up the good work.
