The Garwood Volunteer Fire Department is proud to announce that on February 27, thirty people completed a 64-hour Emergency Care Attendant (ECA) course. The course was sponsored by the Garwood Volunteer Fire Department and was coordinated by Joe Hamilton through the Wharton County Junior College. Instructors included Mr. Hamilton, Herman Novak, Ellie Oldag and Carol Dincans.

The course which began on January 4 included training in the skills of

CPR, bandaging, splinting, mechanical aids to breathing and patient assessment. The lectures included the recognition and treatment of shock, medical emergencies, poisoning, environmental emergencies and emergency child birth. Although the course was designed for ambulance personnel, much emphasis was placed on emergency care in the home.

The Garwood Volunteer Fire Department would like to express its appreciation to Wm. N. Letter for the use of the meeting room to hold the classes and to Delgado Wrecker Service for the use of a car for extrication practice.
