From before 6 until after 8 p.m. a steady stream of hungry customers lined up for tasty burgers and a variety of sweets. The ladies who direct the library were joined by the men of the Lions Club to raise funds to benefit our local library. In the picture, Library president Velma Engstrom is shown accepting a \$250 donation from the Lions Club's tail twister Mike Michalka.

### Washington, D.C.

Continued from Page 3

spectacular view of Washington came Wednesday evening, March 21, 1990 as the group left Washington National Airport on their return home to Texas. With a clear sky and an evening flight, the group experienced a spectacular aerial view of the national Capitol and all the surrounding area in a glittering display of millions of lights.

Returning to Texas a little tired but greatly inspired by our nation's national Capitol, were Theresa Adkins, Amanda Alaniz, Neil Broesche, Christopher Burrow, Leslie Cramer, Kelly Chamberlain, Janil Chapman, Eddie Esparza, Chris Ferguson, Kim Henske, John Kaluza, Donny Obenhaus, Kevin Schmitt, Ryan Thomas, Kristie Vargas, Becky Waddell, Jessica Whinnant, Brandon Wisne, and Breana Wood from Eagle Lake Middle School. From Garwood on the Washington trip was Mashay Smith,

while from Sheridan Byron Dupre, Bradley Gohlike, Shari Grahnman, and Chris Jackson enjoyed the tour also.

Serving as sponsors and chaperones on the trip were Lois and Harold Raabe of Eagle Lake, Ms. Debra Cummings and Jeanette Woods, teachers at the Eagle Lake Middle School. Ray Sykowski served as the Tour Director for the trip. They all expressed their great pleasure and admiration for taking such a fine and very well mannered group of students on this enjoyable and memorable trip. Special thanks were also extended to those parents who helped provide transportation to and from the airport.

As Tour Director, Ray Sykowski said "We all had a great time and the students handled themselves exceptionally well during the four day tour of Washington." Thanks for a great time!

### Local Pilot members to attend district convention

The Pilot Club of Eagle Lake, under the direction of Club President Lucille Perry, will be represented at the Texas District Convention of Pilot International to be held April 27-29 at the Hyatt Regency West in Houston.

"The Brightest Star in Pilot International" is the convention theme and the event is expected to draw hundreds of delegates and other Pilot members from Texas, according to Texas District Governor Nelda Bracksteck of Edna.

One highlight of the convention will be the presentation of the Texas District Disabled Professional Woman of the Year who will go on to compete for the International title at the 69th annual Pilot International Convention in Nashville, Tennessee in July. The DDPWY program is co-sponsored by Pilot International, the President's Committee on Employment of People with Disabilities and Sears, Roebuck and Company.

In attendance at the District convention will be Pilot International Secretary Janice Watson of Manchacha, Mississippi. She will address the convention body with an official Lifeline units available.

The Pilot Club of Eagle Lake would like to remind the Community that they have 19 units being utilized and five units available.

If anyone knows of someone in need of one of these units, please contact Barbara Pidgeon, Pilot in charge, at 234-2897 or contact any Pilot member.

Having one of these units, when you have a handicap and live alone, does not mean you must be confined to home. Many of our recipients continue to lead active lives; however, when they are at home alone, they have the security of being independent. Also, their families feel secure knowing, should they require assistance, their lifeline button is just a touch away.
