March 2: (Boys/Girls) Track Belville.

UIL highlight

By MANDY LUEVANO

This week's UIL highlight of the week is the Calculation Applications Contest. The contest includes calculations involving addition, subtraction, multiplication, division, roots, powers, exponentiation, logarithms, trigonometry functions and inverse trigonometry functions. In addition to straight forward calculation problems, the contest will include geometric and stated problems similar to those found in algebra, geometry and trigonometry textbooks.

Those who are participating in this contest consist of the following: Freshman, Emily Galvan; Sophomore, Todd Maschek and Junior Corey Leopold. They will compete on March 22 at Blinn Junior College.

FTA'er of the month

By TRICIA THOMAS

Members of the FTA voted for three fellow members whom they felt contributed the most to the club during the month of January. Jennifer Wied was chosen for her many contributions which included: attending the FTA drawing, selling \$20 worth of drawing tickets, giving a birthday gift to her secret pal, bringing three Christmas goodies for the teachers and being voted for December FTA'er of the Month. Jennifer is the daughter of Mark and Jane Wied of Garwood.

Stacey Spanihel was also chosen for her contributions to the club. She attended the FTA drawing, sold \$40 worth of drawing tickets and was voted for December FTA'er of the Month. Stacey is the daughter of Jo Mike and Diane Spanihel of Eagle Lake.

Having also sold \$40 worth of drawing tickets and attending the FTA drawing, Adriana Rangel was selected for this honor. Adriana is the daughter of Rafael and Gracie Rangel of Rock Island. Congratulations to these students!

Move over basketball, in comes the baseball season

Rice High School baseball has begun, so get ready for some fun and excitement! Come to all of the games and cheer the teams on to a winning season. Remember, behind every good baseball team, is a yelling, cheering crowd. Let's keep the pride in Rice High School sports going strong.

The varsity squad returns five starters from last year's third place district finishers. Senior Wade Satsky returns as the anchor of a young pitching staff. Satsky compiled a 6-5 record with 58 strike-outs before suffering a back injury in last year's campaign. Junior Kevin Jackson will appear on the mound for the Raiders again this year. Kevin will also see playing time at shortstop and centerfield. Sophomore Aaron Machac, last year's leading hitter with a .283 average, will see action at shortstop and on the mound for the Raiders. Junior Norman Board, a second-team all-district selection at third base, last year, will move behind the plate to take over the catching chores for the Raiders this year. Junior Raymond Ford will return to play left field and sophomore Shane Laake returns to pitch and play second base.

Others returning that saw action for the Raider varsity squad last year are Will Atkins, Chad Sunderman, Ragen Stienke and Josh Graham who hope to make the season a successful one.

The Raiders have already played in two scrimmage games. The first one was against Hallettsville on February 11 and the second, against Schulenburg on February 15. Coach Monte Cain commented on the scrimmage games saying that "the pitching staff did a good job and defensively, everyone played well. These are the strong points of the team, but they need to concentrate and work on their hitting ability. This will be the key to a winning season."

The Raiders hope that you will come out to support them and help make this a successful season. Rice plays its first game on February 26 against East Bernard, there, at 5 p.m. (JV) and 7 p.m. (V). Their first home game will be on March 1st at 7 p.m. against Needville. Come out and support the Raiders!!

Go Raiders!

Who's Zat?

By NATALIE CORDOVA

"Alright, can anybody help me? I've been tampered with," was this blonde-headed, big eyed senior's comment.

This suited up two year old cutie fooled only a few of the members of the senior class. Those that took a wild shot were Dustin Hengst who guessed Jason Dulany, Latricia Johnson was puzzled and guessed Welby Horton. Heather Abel got confused and said Jaime Wesselski, while Tricia Thomas thought this adorable little babe was John Coldeway. Those seniors that had a grin on their face when shown the picture were Wade Satsky, Veronica Garcia, Kevin Dogins, Irma Perez, Kevin Williams, Ramon Pantoja, Cassandra Edwards, Anessa Williams, Sher Sunderman, Jaime Wesselski and Jose Gonzales. These seniors knew this sweet, innocent face belonged to none other than Brent Mathis.

Brent is the son of Jim and Shelia Mathis of Eagle Lake. Brent is a member of the Senior class and president of the band council.

Bedwetting: Causes and Cures

According to a recent study, 14 percent of children between the ages of 5 and 13 wet the bed. Nighttime bedwetting can result from many different causes. Heredity seems to be a big factor. It has been reported that in 44 percent of families with a child that wets the bed, one of the child's parents also was a bedwetter. The incidence is higher if both parents were bedwetters.

Organic causes of bedwetting include structural defects in the urinary tract at birth, a small bladder, urinary tract infections, diabetes, epilepsy, and neurological problems. Researchers recently found that the absence of the hormone vasopressin may be a factor in childhood bedwetting. Organic causes may require surgery or other procedures.

Nonorganic causes may be approached with behavioral techniques. The child may be instructed to take charge of such things as making a trip to the bathroom before bedtime, washing soiled bedclothes, and charting the progress of the number of dry nights experienced. Moisture alarm systems are sometimes useful. Prescription medicines used to treat bedwetting include vasopressin, certain antidepressants, and occasionally, amphetamines.
