

1991 Nancy Juul Seaholm Memorial Scholarship Program

Benefitting Rice High School Students

Golf Classic APRIL 20, 1991

"An Inspiration to All"

The Annual Benefit Golf Classic for the Nancy Juul Seaholm Memorial Scholarship Program was held Saturday, April 20, 1991. This year's fund raising event was held in honor of our troops who fought in the Persian Gulf War. Thank God for their efforts to protect our freedom.

Some 130 golfers from the immediate and surrounding areas participated in this year's golf tourney competing for numerous prizes in both team and individual efforts.

A delicious mid-day barbecue, catered by Austin's BBQ Hut, was provided for all the players and sponsors courtesy of Tricil Environmental Response, Inc., owner and operator of the Colorado County Landfill which is located in Altair, Texas. A special thanks to Don Poarch and Jim O'Neil of Tricil for their kind and generous support.

"This year's fund-raising activity will allow us to add to our on-going list of what now totals sixteen (16) previous scholarship recipients and over \$15,000 in awarded scholarship funds.

"Due to the overwhelming success of this year's event, it is with great pride we announce we will be presenting eight (8) one thousand dollar (\$1,000.00) scholarships to selected applicants at the forthcoming Awards Banquet at Rice High School. Without the continued support from the golfers and especially our sponsors, this would never be possible.

"Therefore we extend our sincere thanks and appreciation to everyone involved for supporting our efforts of assisting our local youth toward an opportunity to obtain a college education."
