ASCS awardees lauded

Jerry D. Harris, Chairman of the Texas State ASC Committee, proudly announced that over 150 Texas employees of the Agriculture Stabilization and Conservation Service (ASCS) were in Washington receiving awards from the Administrator of ASCS for outstanding and meritorious service to ASCS and the farmers and ranchers of Texas.

The group met with members of Congress including Senator Phil Gramm and House Agriculture Committee Chairman Kika de la Garza. Other Congressmen addressing the group were Jim Chapman, Larry Combest, Chet Edwards, Greg Laughlin, Bill Sarpalius and Charles Stenholm.

Senator Gramm said, "Each year, ASCS employees find their work made more difficult by the increasing complexity of our farm programs. It really says something that 150 of our Texas ASCS employees overcame every hurdle and served the public so efficiently that they received the highest honor ASCS can bestow for excellence in the service." In closing, Senator Gramm commented, "With the continued dedication and diligent effort of these employees, ASCS will continue to administer farm programs that all citizens can be very proud of."

Kika de la Garza, Chairman of the House Agriculture Committee, also gave high praise to the award recipients. Chairman de la Garza stated, "We here in Washington have just honored one group of American heroes returning from the Persian Gulf. Now we honor a group of people who serve in agriculture, America's first line of defense. They have demonstrated superior qualities and as such are held in high esteem for their service to agriculture and their country."

In addition to other employees, the Texas State ASC Committee was also recognized for its management effectiveness and improvements. Chairman Jerry D. Harris is a cotton and grain sorghum producer from Lamesa. Other members that make up the committee are Mrs. Hope Huffman of McGregor, Dale Hunt of Garwood, D.V. Guerra, Jr. of Edinburg, and Keith Spears of Vernon. The panel oversees activities of the ASCS organization throughout Texas.

Harris noted that ASCS provides service to all Americans by administering farm programs that ensure an adequate supply of food and fiber at a reasonable cost.

"The ASCS employees are among the best in the Nation. In 1990 over 100 Texas ASCS employees were recognized by the Administrator and here again in 1991, over 150 ASCS employees are being recognized for their outstanding service to the country," he said. Harris added that "the Texas State ASC Committee is proud to be a part of such a dedicated and professional group and hopes that all Texans will share in the recognition of these employees."
