

City Council

tunity to change it if they desired. The request for the City to provide water service to the Dunham Environmental Services incineration site was discussed. It was suggested that the company could hook up to the

Newtown Water System for most of what they will need. Unfortunately, the largest line in the Newtown System will not allow for a fire hydrant to be installed. Council authorized Perry to write a letter containing these facts

and problem to Dunham. Mayor Roy Van Nort informed Council of the need to fill the vacancy on the Airport Committee caused by the recent death of Willie B. Christal. In a discussion with committee chair-

man, Dan Canaris, A.J. Williams was suggested as a replacement. A question was raised as to whether this action needed to be added to the agenda or if it could be done as "old business". Perry stated it would be looked into.

Total points YOU think will be scored in this week's Rice Raider game: _____

ONLY ONE ENTRY PER PERSON!

RULES:

- You must use the entry form on this page. No facsimile copies will be allowed.
- Study the games listed in each advertisement. Each game is numbered. Pick the team you think will win. Write your guess on the matching numbered line on the entry blank. Enter guesses for each game. If guesses are not entered on the correct line, the entry is disqualified.
- After picking the winners, fill in the blank at the bottom of the entry form with the total score of the weekly Rice Raider football game. The total score is the number of points each team will score in the game, added together. For instance, Rice 13, Sweeney 6; the total score is 19.
- The entry with perfect guesses (excluding the tie-breaker score) will win. The prize is \$15 per week. If there is more than one perfect entry, the tie-breaker score will be used. If ties remain, up to three entries will be drawn from these entries, and the prize will be split three ways.
- If there is no perfect entry in any week, that week's prize will be added to the following week. For instance, if no perfect entry is received the first week, then the second week the prize will be \$30.
- Entry forms must be in The Headlight office by 5 p.m. Friday before the games are played. Or, if mailed, must be postmarked with Friday's date, and be received by The Headlight in Monday's mail delivery. The Headlight will not be responsible for entries postmarked correctly but received Tuesday or later.
- Winners will be announced on this page.
- Only one entry per person per week.
- Contest runs through November 7, 1991.

SPORTS

Was to be decided Aug. 29th...

Canada goose season may be extended

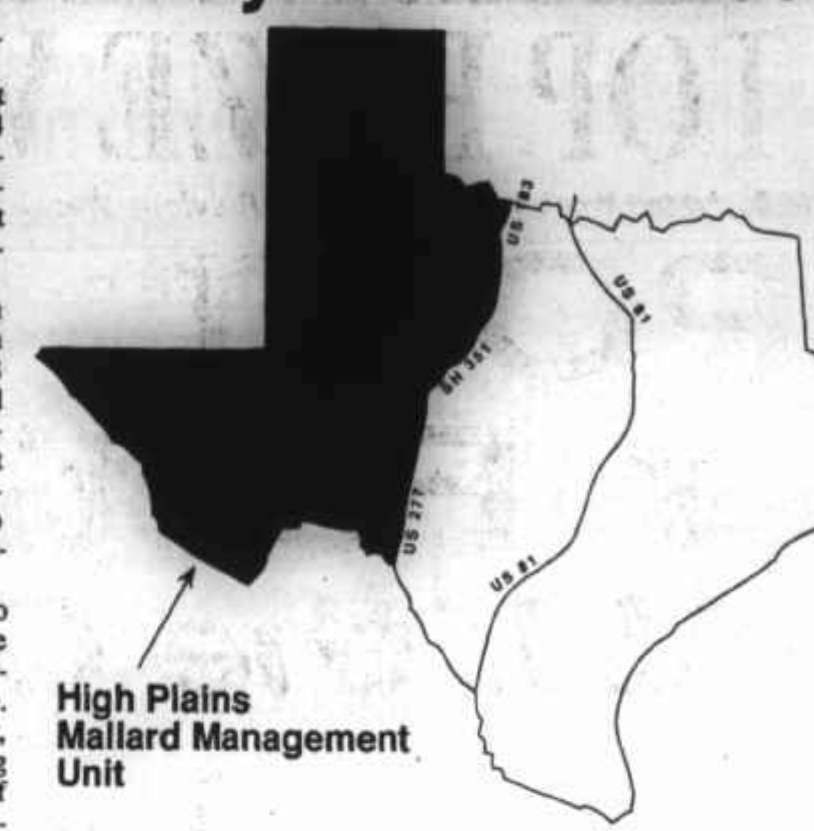

Canada goose hunters may see an extra week and an extra Canada goose in their daily bag limit during the last seven days of the season if Texas Parks and Wildlife Commission approves the proposed duck and goose regulations.

The Texas Parks and Wildlife Department is proposing the season for taking dark geese (Canada, black brant and white-fronted) east of U.S. 81 from Nov. 9-Jan. 19. The daily bag limit will be one Canada goose or one black brant and one whitefront. An additional week for hunting only Canada geese is proposed for Jan. 20-26. The daily bag limit will be two Canada geese during this extra seven day period. The possession limit is twice the daily bag limit.

The Canada goose population continues to look good, so we're proposing to liberalize the bag limit a little," said Bob Jensen, waterfowl program leader. "The overall goose situation is very good in the Central Flyway."

The duck populations have not improved enough to warrant any changes in last year's regulations.

The pintail breeding population is at 1.8 million, down 20% from 1990 and 62% below the long-term average (1959-90), Jensen said. "The prairie grasslands of Canada have been taken out of production for long-term drought. The good side is that pintails also breed across the arctic. They do their best in the prairie grasslands but can adapt to the arctic tundra. While the tundra is not as good, pintails are less likely to lose much of that habitat in the foreseeable future, and they're

Ducks, Mergansers, Coots
High Plains Mallard Management Unit (western part of Texas): Nov. 16-Jan. 5. Daily bag limit is three in the aggregate, including no more than two mallards (only one may be a female), two wood ducks, one pintail, one red-head or one mottled duck.

Remainder of state: Nov. 16-24 and Dec. 7-Jan. 5. Daily bag limit is the same as the High Plains unit. The season is closed on canvasbacks.

Daily merganser limit is five of which no more than one may be a hooded merganser.

Daily coot limit is 15.

West of U.S. 81: Oct. 12-Jan. 26. Daily bag limit is five, not to include more than three dark geese.

East of U.S. 81: Light geese, Nov. 9-Jan. 19. Daily bag limit is five. Dark geese, Nov. 9-Jan. 19. Daily bag limit is one Canada and/or one whitefront and one brant. A seven day Canada goose only season (Jan. 20-26) follows the regular dark season. Daily bag limit is two Canada geese only.

Woodcock
Nov. 28-Jan. 31. Daily bag limit is five.

Snipe
Oct. 26-Feb. 9. Daily bag limit is eight.

Landowners... become part of 'Hunting Guide Listing'

The fall hunting season will soon be here. The East Bernard Chamber of Commerce is in the process of compiling a listing of landowners who would like to participate in a "Hunting Guide Listing" for the "Wharton County" area.

The "Hunting Guide Listing" would be for ducks, geese, dove and quail. If you are interested in leasing your land out for the day or season, please send your name and telephone number to the East Bernard Chamber of Commerce, Box 567, East Bernard, Texas 77435.

Additional information required will be: 1) Type of lease (day, season, weekend only); 2) Number of hunters; 3) Type of birds (dove, quail, duck, geese or other); 4) The amount of acre; 5) Cabin or campsite; and 6) Location.

East Bernard businesses get a lot of inquiries about leases each year. This is your invitation to become a part of a "Hunting Guide Listing". Your participation will support the chamber's efforts to pass along your information to hunters wanting day and season lease information as it becomes available.

Sportsmen to celebrate 'Hunting & Fishing Day'

National Hunting & Fishing Day, designed to spread the word about the sportsmen's role in conservation, is scheduled for Sept. 28. This is the 20th anniversary.

President George Bush, an avid quail hunter and fisherman, will serve as honorary chairman. "I am honored to be a part of a special day that highlights safe and ethical hunting," he said.

Many uninformed people believe that the white-tailed deer is an endangered species, when in fact there are more than 12 million whitetails today, said Bob Delfay, executive director of the National Shooting Sports Foundation. "Few non-sportsmen realize that hunters and fishermen have contributed more than \$12 billion for conservation programs over the last 50 years through special excise taxes on their equipment and license fees. We continue to contribute to habitat and species restoration programs at a clip of \$3 million per day."

Delfay said, in 1990, sportsmen have contributed \$354 million for fish and wildlife restoration programs through the special excise taxes on their equipment. These funds are derived through an 11% excise tax on sporting arms and ammunition, a 10% tax on pistols and revolvers, an 11% (See Hunting, fishing day, Page 11)

T.P.W.D. issuing alligator tags

Applications for alligator tags may be made in early September at four sites for the Sept. 10-30 season. Tag issuance is scheduled for J.D. Murphree Wildlife Management Area (south side of Hwy. 73, one-half mile east of the Taylor Bayou bridge and three miles west of the Spur 214 intersection in Port Arthur), Sept. 4-6, 8:30 a.m. to 5 p.m.; Mangrove County Courthouse (in downtown Bay City) at the intersection of Hwy. 33 and Hwy. 60, Sept. 5-6, 8 a.m. to 5 p.m.; and TPWD office in Victoria (1502 Airline Road, Town Plaza Mall, third floor), Sept. 6, 8 a.m. to noon. Each tag will cost \$5.

Landowners or their agents must certify total acreage owned or represented on a form prescribed by the department at the time of application," said William C. Brownlee, TPWD

ing the application. The landowner's agent also must present a notarized document from the landowner verifying their selection to represent that landowner.

For more information contact Brownlee at 1-800-792-1112, ext. 4700, or 512-389-4700, or Amos Cooper at 512-389-4789.

Help available for alligator hunters

The Texas Parks and Wildlife Department can assist prospective alligator hunters in locating a place to hunt during the upcoming Sept. 10-30 hunting season.

The department has prepared a list of contacts for possible alligator hunters available to the public. The contacts on the list have expressed interest in making tags available for either guided or unguided hunts. The list of contacts will be part of the alligator hunter packet that each person purchasing an alligator hunting license will receive.

This is the eighth consecutive alligator season since statewide alligator management planning was initiated in 1984. Harvest quotas have continued

Wheelin'N Dealin' Days

ZERO OR FREE DOWN GOODS

No payments for 90 days and 90-day FREE Financing with Polaris StarCard.

Buy any new Polaris ATV during the 'Wheelin' and Dealin' months of September, October and November, and take it home with no money down. With the Polaris StarCard, we're offering 90-day free financing and no payments for 90 days. Now there's no easier way to own a Polaris. Your participating dealer has the details. Or you can have your choice of \$200 worth of Polaris clothing and accessories — free.

*On approved credit. WARNING: ATVs can be hazardous to operate. These are full-size machines designed to be ridden only by adults 18 and older. For your safety, always wear a proper seat belt and protective clothing. Be particularly careful on difficult terrain. Polaris recommends that all ATVs riders take a training course. For safety and training information, see your dealer or call Polaris toll-free at 1-800-342-3764.
