

LET'S STOP THE STORING OF HAZARDOUS WASTE IN COLORADO COUNTY

Join a group of your friends and fellow citizens at Rice High School, on Highway 90A just west of Altair, Wednesday Evening, September 25th at 7:00 p.m.

Dr. Brown, a soils expert from Texas A&M University, is scheduled to be our guest speaker. Let's get some impartial input as to the real threat posed by permanent storage of hazardous waste in Colorado County.

An application for a permanent permit to store hazardous waste in the site near Altair is scheduled for submission very soon. Can you imagine the consequence of our county being certified o.k. to receive and store hazardous waste on a permanent basis? Consider the open gravel pit areas that are so numerous and so inviting. Consider our location relative to Houston, Dallas, Austin, and San Antonio, none of which are about to permit such storage in their immediate area. Waste site operators will visit the county in droves.

We owe it to our future generations to take a stand against the destruction of our county.

A 5K event, "Running Wild", will be the first event on Saturday morning, October 5. There will be a quilt show entitled "Runaway Scraps" at City Hall and a Texas "Past Exhibit" on both days. A "Runaway Scrape" (non-motorized parade) at noon on Saturday will feature cowboys, chuck wagons, buggies, mules, horses, wagons and a lot of foot traffic, and pioneer/country clothing.

On Sunday, the day will start off with a volleyball tournament. A BBQ chicken dinner will be available in the earlier hours until they are sold out. A new attraction this year is the "Pick'em up Truck" Parade. All with pickups are encouraged to enter this event as there are various categories. This parade will be followed by an auction, a horseshoe pitching tournament, and another fine performance of the melodrama.

Visitors are invited to view all the window displays and wall murals that will be depicted by the town's businesses. Also see how the town residents get involved by entering an "Autumn & Halloween" Yard Contest creating more for you to see.

There will be lots to see and do in Weimar. You might even find yourself entering the lip syncing contest.

Sheridan News

Mr. Charlie Haines was honored with a birthday celebration Sunday Sept. 15th at the Sheridan Community Center. His actual birth date is September 26th and he will be 90 years old. Hosts for the happy event were his daughter-in-law Mrs. Bobby Haines and his grandchildren Mike and Cathy Young and Charles and Hope Haines.

Mr. Charlie and his wife Ruth moved to Sheridan in 1952. His occupation was a carpenter and rancher. He remains active and still enjoys "checking the cattle" nearly everyday.

The hall was decorated in red and white, a variety of sandwiches, along with fruit and vegetable plates, dips, sauces and tumblers were served. Many friends stopped by between the hours of two and four to extend their love and congratulations to Mr. Charlie. We wish him many more years of continued good health.

The Eagle Soccer team of Sheridan traveled to Weimar Monday afternoon for their first game and came home victorious. They defeated the Sharks 3-1 in an action-packed game. The team is coached by Freddie Soto and Mr. and Mrs. Carl Milenz.

The Sheridan Little League still has drawing tickets to sell! There are eleven very nice prizes and the drawing will be held Sept. 28 at the Spaghetti Supper in the Community Center. All proceeds are earmarked for the new field located north of the highway.

Get well wishes are extended to Elaine Sonntag and Hannah Kallina. Hannah was taken to the emergency room Sunday night with "smashed" fingers. Two of them are now in splints, but thankfully are not fractured. As she was leaving the hospital, the Sheridan Ambulance arrived with Elaine who had fallen while cleaning cabinets at her home. After x-rays, she also was released and is recovering at home.

JoAnn Wagner's name was drawn and she is the lucky winner of the Texas Star Quilt that was in a drawing held by the Sheridan Jr. High Cheerleaders. The money helped offset the cost of the camp the girls attended during the summer. The girls extend their gratitude to everyone who purchased a ticket from them. They are Merrisa Brisco, Jodi Heard, Andrea Machac and Leigh Jackson.

Congratulations JoAnn!
