Heritage House News

The River Bend 4-H Club visited with the residents Saturday and brought special treats for everyone. We thank them very much. Their company was enjoyed by all.

We wish to thank Steve and Linda Balas for the beautiful flowers we

received from them for Thanksgiving. Everyone welcomes Henry Williams, Mary Zahradnick and Beatrice Stovall back after their hospital stays. Our family Christmas Party will be held Wednesday, Dec. 11, at 6:30 p.m. in our dining room. We look forward to a full house for the occasion.

Residents that will celebrate birthdays this month are McKinley Martindale, Ruth Wines, Georgia Franks, Beatrice Stovall, Bessie Peter, Elvira Ugarte, Mary Kozik and Emma Israel.

Sunday's worship service was conducted by Rev. Charles Miller of the First Presbyterian Church.

We thank all of our volunteers for visiting and holding activities for us. We are so lucky to have these wonderful people that give so much of their time.

The older individual grieves also over the loss of sight, loss of home, or loss of independence. We at Heritage House not only deal with the physical care of our residents, but many times we must help the resident work through his/her grief whether it be from loss of a loved one or something dear to them. Many times the residents are not just "patients," they are friends whom we have bonded with and want so very much to aid in every way we can.

Administrator's News: The normal course of grieving advances through several stages:

1. The griever begins to emancipate himself/herself from the bondage of the deceased. 2. Griever readjusts to the environment in which the deceased is missing. 3. Griever forms new relationships which bring rewards and satisfaction.

To deal with grief, grief therapy groups have been started. It not only

Who's zat?

This little "rockin'" cutie didn't fool many people at Rice. The only clue given was that he was a freshman.

Kori Klein, Erin Korenek, and Shanna Sewell fell off the rocking chair when they guessed Heath Mahalite. Mona Soto and Monica Vargas flipped the rocking chair when they guessed Cam Muzny. Rebecca Romero and Lina Rodriguez couldn't even get the chair to rock when they didn't have a clue who this cutie was.

Correct guessers that "rocked their way to the top" were Sophronie Anderson, Stefanie Kerschner and Josh Venghaus. Other correct guessers were Emily Galvan, Jennifer Wied, Kelli Walker and Donald Samora. They all knew this little "rockin'" was none other than Dusty Leopold. Dusty is an active member of the FFA and played freshman football. Dusty is the son of Donald and Suzanne Leopold of Nada.

This week's feature player, #32, Senior Shanna Brunner, plays forward for the Lady Raiders Varsity Basketball Team. Shanna believes this season will be a winning one because they are working together as a team and have shown a lot of improvement over the last couple of weeks.

Some of Shanna's goals for the season include playing better defense and shooting more. When asked about the new basketball coach, Shanna commented, "I think Coach Radin is making us finally play as a team, and she keeps reassuring us that our hard work will pay off." Besides basketball, Shanna is involved in NHS, Student Council, band, cheerleading, and is vice-president of the senior class.

Outside of school, Shanna enjoys going to the beach, going out with friends and shopping. Shanna is the daughter of William and Diana Brunner of Eagle Lake.

Touch of Germany at Rice

By LANA HUTCHISON
Each year many schools across the United States receive exchange students from abroad. This year, Rice is

proud to have 18 year old Joachim Lorenz, from Germany, attending school here. Joachim's parents are Hannelore and Wolfgang Lorenz and

he has one older brother who is 27. Joachim arrived in Eagle Lake in the middle of August and lives with James and Nina Hawkins. Joachim feels the residents of Eagle Lake are friendly and the buildings there fascinate him. He said, "They look old, but nice."

As a senior at Rice, Joachim states he likes most of the students but some of them are a bit crazy. Joachim feels that the teachers are better and funnier than the ones in Belgium, Germany. Although he has no favorite teacher, Joachim likes all his teachers. English IV is his toughest subject. Joachim is a member of the Raider basketball team and wants to participate in track and tennis.

When asked why he wanted to become an exchange student, Joachim said, "I finished my regular 10 years of school and I wanted to see how the school in the 'crazy' country is! Joachim says school is very different here. In Germany, he attended school until 1 o'clock, but they had more subjects. There are not as many tests given and there were not as many sports to choose from. He also said that the United States are prettier than his in Germany!

In his spare time, Joachim enjoys playing tennis, basketball and volleyball. He also enjoys airplanes of any kind. We wish Joachim the best of luck after he returns to Germany at the end of the school year.

Student Pride winner is chosen

By VICKI DRIK
This week's student pride winner is Sophomore Brad Gohlke. Brad was proud and honored to have been selected student pride winner. He enjoys computer and mathematics courses. Brad's favorite teacher is Mr. Wendel. Brad said, "He explains the subject matter well, makes sure all his students know what's going on and he is

a fun teacher." Brad thinks Rice is a great school, but there is a need for more school spirit and support of school activities. In Brad's spare time he enjoys playing sports, archery and firearms. Brad is the son of David and Cindy Gohlke of Sheridan.

National Honor Society to meet

By JENNIFER WIED
On Nov. 18, the Rice High School National Honor Society held a meeting at 3:30 p.m. in the meeting room. The club discussed dealing with various methods of fund raising and environmental awareness projects. The NHS has set aside March 30-April 10, 1992 for fund raising. Some suggestions for fund raisers included raffles, bake sales, babysitting days, Easter egg hunts, car washes, paper

recycling, gift sales and homemade Easter bunny candy sales. The final decision for the fundraiser will be decided at the next meeting on Dec. 9. Each NHS member was assigned teachers to ask about keeping a box in their rooms that can be filled with used paper to be recycled. Posters will be displayed to promote the environmental efforts of the club.
