We had a wonderful Christmas party for our residents and families Wednesday night.

Our entertainment was provided by a trio called the Brothers. They were Elder R.A. (Sonny) Wauls, Arthur Ray and Walter Holmes. Everyone had a great time.

I want to thank everyone who worked so hard to help make this party a success. We especially want to thank Santa for dropping by on such a warm night.

We have had a host of carolers visit this past week. We thank everyone for their time and joyful voices. Feel free to drop by if you are out caroling this holiday season. You will be welcomed.

Thanks to Steve and Linda Balas for the two huge, beautiful poinsettias they sent to our facility.

Also thank you to the fire department for use of their tables and chairs, and to the Chamber of Commerce for the loan of their Santa suit.

Our worship service was conducted Sunday by Rev. Obie Rhodes of the White Cloud Baptist Church. The residents of Heritage House send a wish for a very Merry Christmas and peace and joy to all.

W.M.U. will host the monthly "Friendship Fellowship" this week Thursday (today) instead of next week. Everyone is invited to attend this noon meal which will have the Christmas theme.

Get well wishes to Glenn Buckley and Nancy Chabreck who have been in the hospital this week.

The following poem was contributed by Dana Sanders who used this way to express to everyone her Christmas greetings. Dana and her husband Billy both serve in the U.S. Navy during Desert Storm.

A Christmas Poem
As we sit and think about our friends,

Far away and near,
We can't help but let our thoughts
Drift back to this same time last year.
We made it through the "desert storm",
We made it brave and true,
But never could have done it,
Without GREAT friends like you!
While out on the big blue ocean
And while the sea did roll,
Only through all your prayers,
Did we feel peace in our soul.
We want to say thanks for all you did,
For our family,
While we did our very best

To defend our dear country,
Once again God proved to us,
As he has time and time again,
That if we only trust in him,
We the war can win.
Now that the conflict is over,
And the battle's won,
It's time to remember
That God sent his only son.
So to our friends far away and in Texas,
The land of the oil and derrick,
Merry Christmas from the Sanders',
Billy, Dana, Angie and Eric!!!
God Bless You!

GAP The Garwood Association of Parents met last Tuesday in the Garwood School library.

GAP president Debbie Little presided over the meeting. Kathy Stienke described the Practical Parenting Program being offered in the Garwood School. Mrs. Stienke is the district liaison for the school and in charge of the program here.

The GAP also decided to give the members of the Garwood School staff appreciation baskets at Christmas to thank them for their efforts with our youngsters. The morning kindergarten class won a free soda water, compliments of the GAP, for having the most parents at the meeting.

The ladies of Alpha Sigma Omicron invited Santa to visit Garwood last Saturday morning. Even though

he's very busy this time of year, Mr. Claus stopped by the Garwood Fire Station long enough to have breakfast with some excited kids. They also got to speak with Santa about their Christmas wish lists and even have their pictures taken with our visitor from the north.
