It's surprising how often I think of you, turn to speak to you, and realize you're not right there as I expect you to be as you have always been. I hold you so close in thought that it's hard to understand that you're gone. But I wanted you to know that I think of you every hour, every minute, every second of every day. You will never be forgotten. Our love and memories will keep us near until we are together again.
We Love You so much.
Teddy, Sandy, Kristin, Savannah and your little man
