

**'Yard of the month' for July**

Pictured from left are Civic Garden Club Reporter Anna Gertson and Cody, Sylvia and Cory Brune.

Red caladium-trimmed flower boxes and a meticulous lawn are some of the reasons why the Civic Garden Club of Eagle Lake chose the James and Sylvia Brune home at 806 Warwick as the July Yard-of-the-Month.

Sylvia says she enjoys working in her yard and the results are evident in her beautiful landscaping. Caladiums, impatiens and periwinkles surround a bird bath in one of the flowerbeds while caladiums, impatiens and azaleas form concentric circles around a large, multi-trunked tallow tree in another.

Boxwood hedges form a border along the front of the house with red-tipped photenias at each end and, again, accented with caladiums. Congratulations to the Brunses!

Jim, Carolyn, Nerissa and Isam Brisco enjoyed a 12-day trip to Florida in June. On the trip east they stopped at Vicksburg, Mississippi and toured the Civil War Memorial and the museum housing some of the first Coca Cola bottling equipment.

The summer reading and movie program, sponsored by the PTS, is being held on Fridays at 1 p.m. at the Sheridan Community Center. The movies are intended for children in grades 1-7. The Sheridan Memorial Library is open following the movies for reading club members to check out books.

Their tired feet were ready for a day of rest when they reached Grayton Beach, Florida on the Gulf of Mexico. It lived up to its reputation as one of the best beaches in the United States with beautiful soft white sand and gentle waves.
