St. Mary's School News

Again we will have an opportunity during Catholic School week, Jan. 31 - Feb. 6, to celebrate the many accomplishments of our schools in service to the Church and the greater civic community and to our parents and friends. Annually we have this special opportunity to let the people know about the quality education in a religious atmosphere that takes place in our Catholic schools.

This year, our theme of "Catholic Schools: The Good News in Education" gives us an opportunity to put forth the value of a Catholic school education as both religious and academic since the theme draws from the terminology that is used to describe the gospel as well as the overall issue of education. As Christian communities our schools bring together people

of many cultures and countries of origin as well as from different faiths in an effort to share in the building of God's kingdom in the educational setting. We need, therefore, to use this opportunity to spread the message within and outside the Church of the importance of our schools to the entire community and to emphasize the need for a broad-based support to ensure the future of our school systems.

We rejoice especially this year in having once again seen a significant increase in enrollment in our Catholic schools during the present school year; in fact, bringing us back to the 1986-87 enrollment. The enrollment also continues to rise here in the Victoria Diocese with Catholic schools taking in 3,373 students for the 1992-93 school year, a gain of 217 over the

last year's 3,156. Daughters of Republic of Texas

The Monument Hill Chapter of the Daughters of the Republic of Texas met Saturday, Jan. 9, in the meeting room of the Nesbitt Memorial Library in Columbus, Texas.

President Carolyn Marble of Lincoln called the meeting to order. After an invocation by Chaplain Bessie Fietman Bean of San Antonio and the pledges to our flags led by Grace Kocurek of La Grange, roll call showed seven members present. Minutes of the November meeting were approved as mailed to the membership by Secretary Imogene Fietman Williams.

A time of silence and private prayer was observed in memory of Mrs. Mattie Bell Taylor Phillips of Pattison, Texas, a charter member of our chapter, whose funeral was held Saturday afternoon.

Marble noted that the would be in touch with Treasurer Debbie Higgins (absent) regarding the status of membership, dues, and checks that need to be prepared to take care of chapter obligations.

Officers reports were heard. Vice President Dorothy Albrecht, for CRT Sponsor Betty Hill, reported that CRT members participated in the French Legion's Christmas observance and that the CRT project for 1993 would be the adoption of a flag.

President Marble asked if any chapter members were interested in running for state office. Bessie Bean expressed an interest in seeking the position of Chaplain General, and Lillian Fietman Stuever stated that she would be willing to serve on the Cook Book Committee.

Regarding the History Essay Contest, Albrecht reported that she had talked with the seventh grade teacher in La Grange and Debbie Fietman Behlen reported that she is investigating the participation of the fourth grade at St. Rose Catholic School in Schulenburg.

Motion was made by Albrecht that funds be available for use by the Chapter Chaplain for expenses such as cards, postage, flowers, and so forth. Motion was seconded and carried.

We were privileged to view and examine some historical books and articles in the excellent archives of the library and to hear an interesting accounting of early Colorado County times by Mr. Bill Stein, Nesbitt Memorial Library Curator.

Hostess Albrecht provided coffee and rolls for the meeting. After the meeting concluded, members adjourned to a local restaurant for a Dutch treat luncheon and to attend the funeral of Mattie Phillips.

The March meeting in Eagle Lake will be hosted by Joyce and Darlene Stanick and Ruby Darnell.

Local FFA members to exhibit livestock at 1993 Houston show

FFA members from Colorado County will be joining other 4-H and FFA members from throughout Texas for show ring competition at the upcoming Houston Livestock Show, Feb. 20 through March 7, at the Astrodome.

These 13 FFA and 4-H exhibitors compete in Junior Show division of the Houston Livestock Show. The other division, the open show, attracts its exhibitors from the world's agricultural industry who are primarily professional breeders and ranchers.

Entries in both the open and junior shows combine with horse show entries to make the Houston Livestock Show the world's largest.

The FFA members exhibiting in this area are:

Eagle Lake: Del Frnka who will be showing a market barrow; Heath Mahalic, 3 commercial steers and 1 beef heifer; Louis Mahalic, 3 commercial steers; Todd Miller Mascheck, 1 market steer and 1 beef heifer; Donald Obenhaus, 1 dairy heifer.

Rock Island: Joshua Grahmann, 3 commercial steers and 1 beef heifer; Sheridan: Chris Krenk, 1 market barrow; Mait Jordan, 1 market barrow; Garwood: Clint Krenk, 3 commercial steers; Kevin Wayne Till, 1 beef heifer and 1 beef carcass; Douglas Wied, 3 commercial steers.

Listed as being from Alleyton: Clint Mueller, 1 dairy heifer; and Stacie Marie Mueller, 1 dairy heifer.

Representing 852 Texas 4-H clubs and FFA chapters, the junior show is expected to exceed 11,000 entries this year. A variety of animals are shown in the junior show division: market steers, market swine, market sheep, market poultry, beef and dairy heifers, breeding sheep, goats, commercial steers and breeding rabbits.

The four market animal categories (steers, sheep, swine and poultry) represent animals raised by the exhibitor as food sources. Top animals in each of these categories are eligible for their individual market auctions. Total money paid in 1992 at the four junior show auctions exceeded \$3 million.

"Our junior show is the highlight of our livestock show, placing an emphasis on education, supervised instruction and fair competition," said Steve Woodley, Houston Livestock Show and Rodeo manager.

He reported the balance of revenue from the Great Walk Project has been set aside for landscaping the courthouse in the future.

The Nominating committee chairman Ernest Mac Seaholm read the proposed slate of officers who were voted in unanimously. The new officers are Chairman: Don Albright; vice chairman, Ed Ellis; and treasurer, Joyce Stanick. Susan Rogers was unanimously re-elected as secretary. Albright noted the county commission could benefit school age children by providing them information on historic preservation. She hopes members will volunteer for this project. The possibility of marking county school sites not already marked was discussed but no action was taken.
