

1993 NANCY JUUL SEAHOLM Memorial Scholarship Program

Benefitting Rice High School Students

Scholarships Awarded 39 Recipients... \$39,000

"AN INSPIRATION TO ALL"

The Annual Benefit Golf Classic for the Nancy Juul Seaholm Memorial Scholarship Program was held Saturday, April 17, 1993. A beautiful day, fantastic course conditions, great food, and a lot of fun was experienced by everyone involved.

A field of 120 golfers came from the immediate and surrounding areas and as far away as Pittsburgh, PA; Columbia, SC; San Antonio; Austin and Houston. Numerous prizes in both team and individual categories were awarded to the winners. Each golfer received an embroidered golf cap, a sleeve of golf balls, golf tees, a drink koozie, along with complimentary fajitas and beverages, courtesy of our V.I.P. and Beverage Sponsors.

Also, another delicious BBQ lunch, catered by Austin's BBQ & Catering, was provided for all of the golfers, sponsors and spouses, courtesy of Tricil Environmental Response, Inc., owner and operator of the Colorado County Landfill, Altair, Texas. A special thanks to all of our sponsors for their kind and generous support.

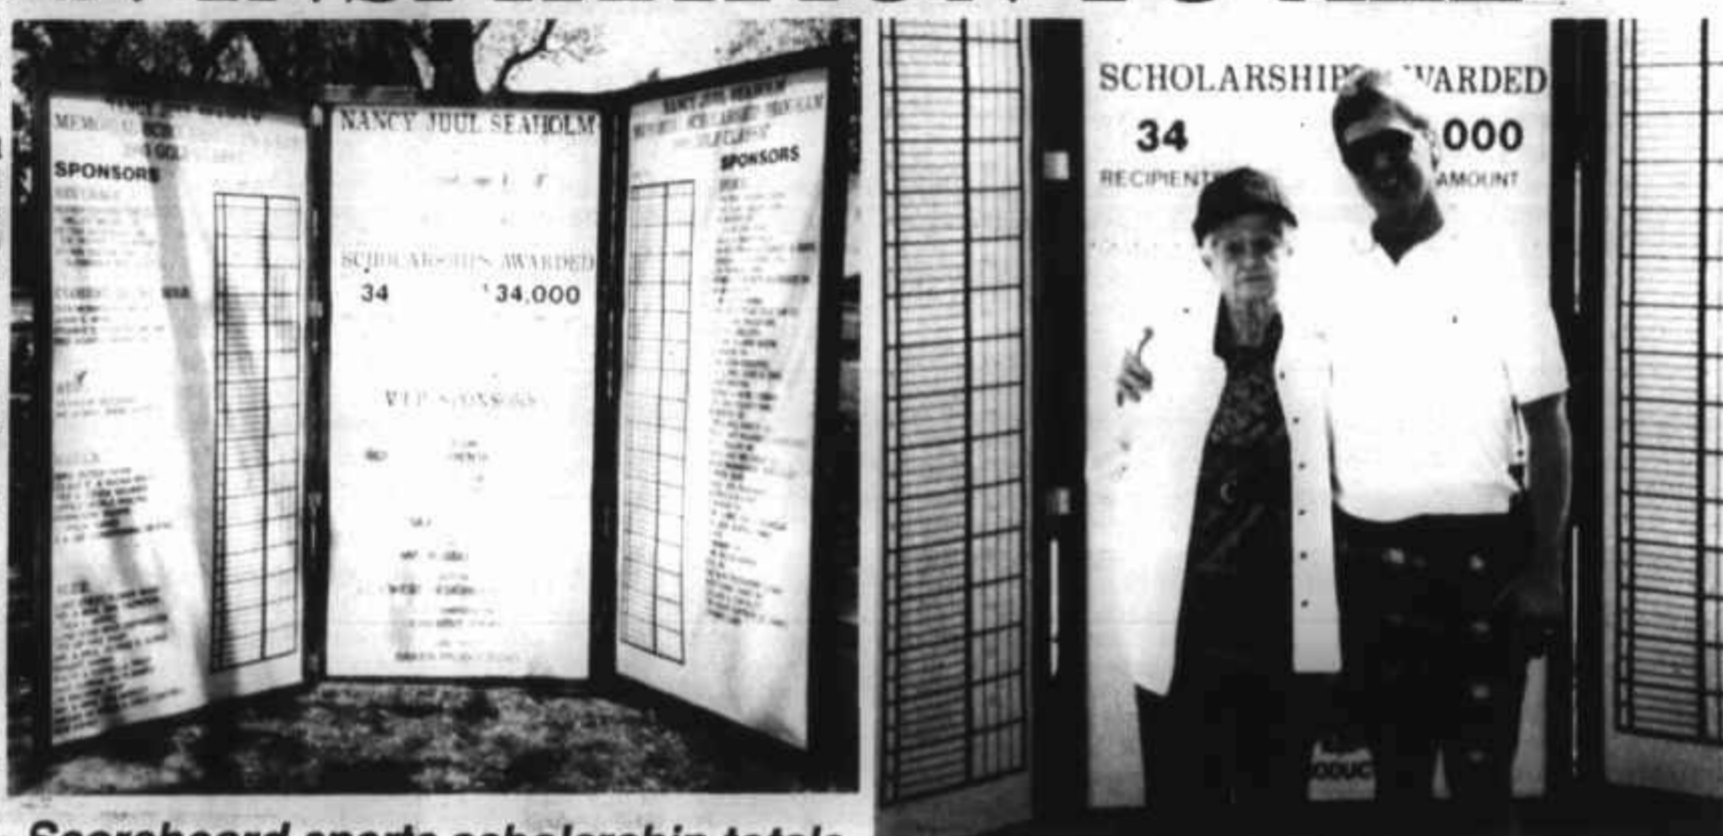

In addition, we would like to offer a special thanks to Mr. Larry Dulany, Mrs. Lynda Appelt, Ms. Wanza Lednicki, and Ms. Joanie Atkins for their very much appreciated, untiring efforts in helping make this year a great success.

"This year's fund-raising event will allow us to add five \$1,000.00 scholarships to our on-going list of recipients, bringing our overall total to 39 recipients and \$39,000 in awarded scholarship."

"Due to the success of this year's event, it is again with pride that we announce we will be presenting five one thousand dollar (\$1,000.00) scholarships to selected applicants at the forthcoming Awards Banquet at Rice High School. Without the continued support from the golfers and especially our sponsors, this would never be possible."

"Therefore, we extend our heartfelt thanks and appreciation to everyone involved for supporting our efforts of assisting our local youth toward an opportunity to obtain a college education."

Benefit Chairman
