Cards of Thanks

People everywhere in life
From every walk and station,
From every town and city,
And every state and nation,
Have given us so many things intangible and dear,
We couldn't begin to count them all or even make them clear.
We only know we owe so much to people everywhere
And when we put our thoughts in verse
It's just a way to share.
The meetings of a thankful heart, a heart much like your own,
For nothing that we think or write is ours and ours alone.
So please just accept the words we know for all that you have done.
Thank you all and may God bless each one.
Aileen Hines and
Elizabeth Williams & Family
