ATTENTION STUDENTS

If you are a sophomore in high school, at least 16 years old, and wondering, "Is there life after graduation?" then listen up! Have we got a summer program for you! Get a taste of what it takes to run a hospital or manage a restaurant. Find out what a physical therapist or a physician assistant does. How about a minister, or electrician or nurse? These are just a few examples of the many careers being spotlighted by C.A.P. - the Career Apprenticeship Program.

This summer program is being sponsored by the Colorado County Health Advisory Council and is provided free of charge. You pick a career field and we place you with a professional who will be your mentor and is already working in the Colorado County area. One day a week, during the months of June and July, you will accompany your mentor through his/her daily activities at the workplace. (You and your mentor work out your own schedule around vacation, etc.) See what really goes on from the boss' point of view.

Don't miss out on this great opportunity, 'cause let's face it, flipping fries is a good place to start, but is that where you want to finish? **C.A.P. IT OFF WITH A CAREER!!!**

Watch for flyers to be handed out at school next week.

Students celebrate Arbor Day

Children and teachers of Garwood School along with the families who donated live oak trees in memory of their loved ones gathered April 28 to celebrate Arbor Day.

They congregated on the front lawn of the school to dedicate a granite marker inscribed with the names of the honorees. The marker, placed to the left of the school's flagpole, is in front of the circle drive at Garwood.

The honorees listed on the stone were Raymond V. Hunt, Mr. and Mrs. L.V. Crane, Mr. and Mrs. Frank Wesselski Sr., Mary Elizabeth Hopkins, Judge W.A. Hefner, William Carl (Prof) Smith, Charles F. Kallina Sr., Lucy Ann Hruzak Kallina, Kara Leanne Kallina and Mr. and Mrs. W.H. Shaw.

The day's program began with a welcome by Betsy Miller, vice president of the Garwood Community Association. She talked on the importance of trees in our community and read the poem "Trees" by Sergeant Joyce Kilmer. She also gave a short history of each honoree's accomplishments in the Garwood area.

Garwood School students sang a song for Arbor Day by Henry Hanby Hay.

The student council read a pledge to give "their time, hands and hearts to give the world a better start... when the children pass this way."

John Mader, Garwood School principal presented Miller with a certificate of appreciation at the conclusion of the program.
