FOOTBALL CONTEST

RULES:

- You must use the entry form on this page. No facsimile copies will be allowed.
- Study the games listed in each advertisement. Each game is numbered. Pick the team you think will win. Write your guess on the matching numbered line on the entry blank. Enter guesses for each game. If guesses are not entered on the correct line, the entry is disqualified.
- After picking the winners, fill in the blank at the bottom of the entry form with the total score of the weekly Rice Raider football game. The total score is the number of points each team will score in the game, added together. For instance, Rice 13, Sweeney 6; the total score is 19.
- The entry with perfect guesses (excluding the tie-breaker score) will win. The prize is \$15 per week. If there is more than one perfect entry, the tie-breaker score will be used. If ties remain, up to three entries will be drawn from these entries, and the prize will be split three ways.
- If there is no perfect entry in any week, that week's prize will be added to the following week. For instance, if no perfect entry is received the first week, then the second week the prize will be \$30.
- If there is no perfect entry during the run of the contest or there is prize money remaining when the contest ends, the best entry during that time period will be declared the winner.
- Entry forms must be in The Headlight office by 5 p.m. Friday before the games are played. Or, if mailed, must be postmarked with Friday's date, and be received by The Headlight in Monday's mail delivery. The Headlight will not be responsible for entries postmarked correctly but received Tuesday or later.
- Winners will be announced on this page.
- Only one entry per person per week.
- Contest runs through November 3, 1994.

- WAY TO GO RAIDERS!**
If you missed this past Friday's game in Van Vleck, you missed Rice Head Coach Dennis Jackson's first win after taking over the reins of the Raider team from Mark Johnson. He broke the law of averages in winning, too. According to Joe Flinn, who has kept stats for Rice "forever", the average number of games played by a new coach before his first win is three (if he has head coaching experience) and nine (if he has not been a high school head coach). Way to go, Coach Jackson, too!
- The top entry this week was submitted by Eagle Lake's own Tanya Wiese. Her only miscue was picking Kansas over TCU. Husband Brian Wiese missed Kansas-TCU and the Oilers game.
- Others coming in with two misses were Gene Paschall and K. Szymanski from Eagle Lake. Jeff Pencik of Rosenberg and Andrew Smallwood of Glidden.
- For those of you keeping up with the Hadley family feud, Brian came out on top again this week, missing four to his Dad's five! Keep on trying, Dwight.
