District competition

SPORTS Rice Raiders named to 23-AAA All-District teams

The 23-AAA District team was chosen recently with several of the 1994 Rice Raiders making the grade. Junior running back James Cotton was named to the second team All-District offense. Two Raiders made the second team, defense: Maison Pratt, a sopho-

Attempted murder?

"These kids are out to get me!" is what Coach Peacock exclaimed jovially, after his freshman basketball team squeaked by Bellville a week ago. Having played eleven games, only four have been decided by more than five points. Who knows, maybe the Raider freshmen really want to force their mentor into cardiac arrest? In defense of the freshmen, they have played good, smart basketball against some formidable opponents. Nevertheless, the Raider freshmen, playing without some key starters, left a lump of coal in the Brahma Christmas stocking with a one point defeat. The Raiders were in control of the entire first half and went into halftime

Lady Raider Varsity splits games in Flatonia tournament

In the Flatonia tournament, held Dec. 28-30, 1994, the Lady Raider Varsity split two games. In the first round it was Smithville 51, Rice 28; second round, Rice 65, Burton 31; third round, Rice 47, Lexington 45; consolation game, Rice 45, Weimar 65. The Ladies' season record is 4-9. Coach Laws said, "The team certainly looked and played better in this tournament. We would have certainly liked to beat Smithville, but we couldn't stick with them bucket for bucket." The team was out scored in the second and third quarter by 28 points. The team played cold from the field, as well as from the charity stripe. Playing Burton and Lexington was a great boost to the spirits of the Lady Raiders. The defense came together to force a total of 29 turnovers and 20 steals. Annette McTear and Rachelle Kallina did a great job of assisting each other on a lot of fastbreaks, according to their coach. Rebecca Burrow has been working on driving the lane and her work certainly paid off. She has 14 of her 27 points in the lane! Christal Lockett, Kaci Klein, Andrea Machac and Neketra Johnson chipped in a few baskets, but especially made an impact on defense. They pulled a total of 30 defensive rebounds. The Lexington game was played down to the wire, and the girls played extremely composed, even when McTear fouled out with three seconds left in the game, at the same time, Lexington went to the free throw line. Weimar simply out hustled the Lady Raiders. Playing with just seven girls took a bit out of the team. The shot selections were real good, but the ball just didn't connect with the rim or the net. Machac, who was cold most of the tournament, hit four shots in a row, but it was a little too late in the game for her fine efforts. She and Kallina provided a lot of help during the tournament. Nikki Chamberlain and Terrika Shropshire were both at the limit for season tournament play as was Bridgette Baird who helps out the varsity from time to time.

Rice JV boys take two hard losses

The Rice JV boys took two hard losses at the hands of Bellville and Brookshire Royal. In the game against Bellville on Tuesday, Jan. 3, the Raiders were plagued by bad free throw shooting. Coach Greg Murrill said, "That was the real difference in the outcome of the game. With the final score of Bellville 45, Rice 41, you can still feel the free throws just weren't falling." Leading scorers in the game were Garrett Hagendorf with a whopping 21 points. Andre Hation, Rocky Banks and Brian Ford each added five points. Lance Grigar contributed three, while Caesar Buitrago added one. Leading rebounders for the Raiders were Hagendorf with 10 rebounds, and Buitrago with eight. The game with Brookshire Royal on Jan. 9, was a nail biter until the very end. The game ended with Rice losing 50-45. Coach Murrill stated, "This was a tough loss, not because it was a double overtime game, but it was also our best

Varsity Ladies beat Bellville, Royal

The Lady Raiders did a fantastic job of beating Bellville on Tuesday night, Jan. 3, by the score of 64-58. The team did a great job defensively, combining for 13 steals, forcing five turnovers and blocking five shots. Offensively, they found that when they score more than eight points in the first quarter, they have a chance of winning the game. Even though Bellville led 15 to 13 after the first quarter, the Lady Raiders didn't feel like the mountain top was so hard to reach. Leading scorer was Nikki Chamberlain with 16 points. Annette McTear had 13, Rebecca Burrow added 11, Neketra Johnson pitched in 10, Kaci Klein and Terrika Shropshire each contributed six, and B.J. Salazar tacked on two points. Burrow remained consistent as she hit two of three free throws and a couple of nice lay-ups in the fourth quarter. Klein played her usual aggressive style of defense throughout the game. Although she fouls out of most of the games, her hustle and "go-get-er" attitude makes the games exciting. McTear, this year's captain and point guard, is really improving her game. She almost always walks off the floor with four or more assists and has four free rebounds. As a senior, she has demonstrated a willingness to learn more about the game and be a bit more of a risk-taker while on the floor. Royal does not have a JV team so the JV Ladies suited out with the varsity, as did senior post player Janet Sattiewhite. Seeing a little action were Andrea Machac, Rachelle Kallina, Sattiewhite, and Christal Lockett. Machac put her gear in overdrive to help out defensively. She played the way the coach likes to see her play every night. Kallina, known as "Shrimp", hustled every second she was out there and scored a much needed bucket in the process. Lockett and Sattiewhite did a fine job while out on the court. Leading the way scoring were Chamberlain and McTear each with 14 points. Johnson had 12, Burrow 10, Klein 6, and Kallina and Machac each added two. The next game for the Lady Raiders will be against La Grange.

Raider Boosters looking for new members

The Rice Raider Booster Club is looking for new members. The organization's goal is to have the participation of all parents and guardians of all junior high and high school athletes, along with businesses in the three communities. Already this year, the organization earned approximately \$1,000.00 at its annual Hamburger Supper held prior to the Homecoming bonfire. The Club also operates the concessions at all junior high and junior varsity football games and at all high school volleyball, basketball and baseball games. Through membership and participation in the club, a strong voice can be raised to show our athletes that, and to use, their hard work and winning efforts are appreciated and are not in vain. During the past year, the Club has made several purchases for the Athletic Department as well as sponsoring the Annual Athletic Banquet and presenting scholarships to senior athletes. Membership fees range from a mere \$5 for individuals to \$20 for businesses. If you would like to join the Booster Club, contact one of the officers: Cindy Fink, Kate Labay, Sylvia Rucka or Donna Stephens. Or, you may send your check made payable to Raider Booster Club to P.O. Box 521, Eagle Lake, TX 77434. Even if you are unable to join at this time, you are encouraged to show your support of the athletic program by attending any of the many athletic events held throughout the year.

Begin 1995 with a 'doggie diet'

Just like humans, many dogs are out of shape and carry those few unwanted extra pounds. But dogs can't go to a gym or start a diet — they need their owner's help. That's why the American Kennel Club (AKC) wants dog owners to make a pledge to get their dog fit and trim for 1995. To give owners a head start, the AKC is offering a free brochure, "Keeping Your Dog Fit and Trim." These easy-to-read guidelines review general nutrition, dietary concerns and exercise routines. Some of the tips included are: •Table scraps are unhealthy for your dog. •Dogs only need one or two meals per day. •Letting your dog out in the back yard does not qualify as exercise. •Include an aerobic activity in your dog's exercise plan. If you would like a copy of this brochure write to AKC, 5580 Centerville Drive, Raleigh, NC 27606. Or call 212-696-8266. Did You Know... •Dolly Madison, wife of our fourth president, James Madison, was the first person to serve ice cream in the White House. •Most lobsters are trapped off the coast of Maine, and more sardines are packed there than in any other state. •The state of Florida gets its name from a Spanish word meaning "full of flowers".

Pharmacy & Your Health EAGLE LAKE DRUGSTORE Steve K. Balas, RPh 702 South McCarty • Eagle Lake • 234-2502 •Patient Counseling • We Accept Master Card, VISA, Discover & American Express • Insurance Plans: Blue Cross, NPA, PCS, Pro-Serve, Sarus, PAID, Texas Medicaid 24 Hour Emergency Phone: 234-3834 Some Medicines Affect Appetite Medicines can decrease appetite. This may be due to the nausea that occurs after the medicine is taken. For example, some cancer medicines such as azathioprine, busulfan, and fluorouracil can cause extreme nausea and vomiting. Other medicines may be needed to overcome this nausea. Several medicines are capable of decreasing taste sensitivity which may decrease food intake. Such medicines include aspirin, ampicillin, levodopa (a medicine for Parkinson's disease), and the seizure medicine phenytoin. Some persons have experienced a metallic taste in the mouth when taking allopurinol (a gout medicine), lithium, and some medicines used to treat tuberculosis. A salty taste has been reported by some after taking nifedipine and captopril (blood pressure medicines) and dipyridamol (a blood thinner). Certain medicines can improve the appetite which may result in overeating and possible weight gain. Such medicines include some tricyclic antidepressant medicines, lithium, phenothiazine-type tranquilizers, some antihistamines, and prednisone. An article published recently in the Journal of American Geriatrics Society reported improved appetite in a significant number of older persons taking amantadine. This medicine is used to treat Parkinson's disease and sometimes as a preventative measure against influenza.

Views On Dental Health PREVENTION AND CORRECTION There's a lot more to dentistry today than just filling cavities. We're trying to help you avoid all sorts of serious dental health problems — to keep your teeth healthy and free of decay — to make sure your teeth and jaws are functioning properly — to avoid unnecessary damage — to help you look your best. Modern dental care starts with prevention: regular brushing, flossing, and professional cleaning. We can also help with fluoride treatments, sealants, and nutritional counseling. With proper treatment, most serious oral health problems can be avoided. Other recent breakthroughs in modern dental practice allow us to correct problems that interfere with the function or appearance of your teeth and jaws. Many new orthodontic techniques can help adults as well as children. Bonding can repair stains, correct chips and even gaps in your teeth. If you have a question about any of these modern dental services, just call us for an appointment or consultation. Presented as a public service to promote better dental health. From the office of JOHN B. MYRES, D.D.S., 704 S. McCarty Avenue, Eagle Lake, 234-3525.
