

U.I.L. District winners

At the recent University Interscholastic Literary meet in Hallettsville, the Garwood fourth grade spelling team did quite well. Jessica Poppe placed fourth; Melanie Brown placed fifth; and Vanessa Johnson, sixth. Jana Janish placed fifth in the fifth grade Dictionary Skills. Congratulations to these four girls for their efforts in U.I.L.

ELMS staff was cookin'

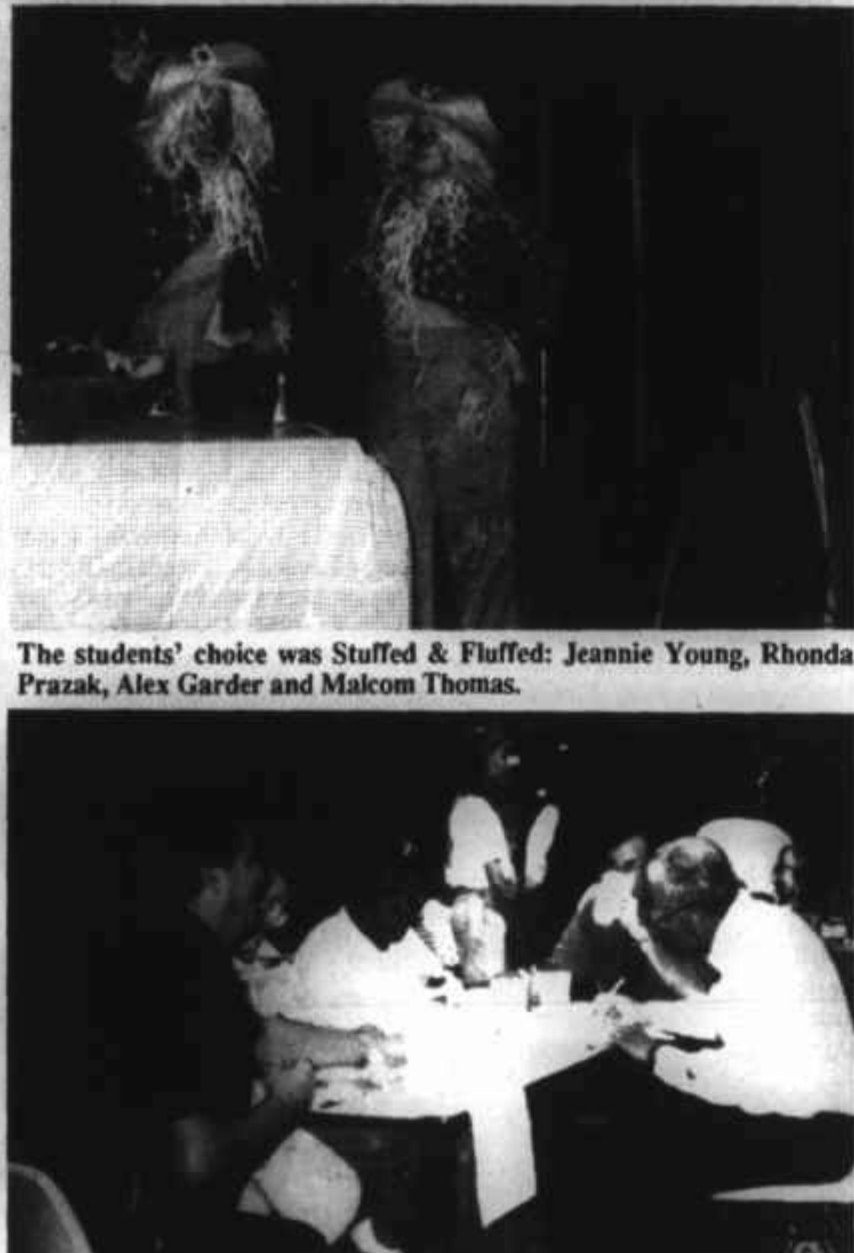

Eagle Lake Middle School held their first chili cook-off on Thursday, April 6, in the gymnasium. The cook-off was due in part to the fifth grade studying Western history. So, Principal Tony Jackson decided to help the students by holding the cook-off.

Competing in the cook-off were members of the staff making up the teams with names like: Hot & Wild; Stuffed and Fluffed; First Timers; Big, Bold & Fev; Lonesome Doves; Texas Tumble Weeds; and The Misfits.

Bravely judging the competition were Eagle Lake Police Sgt. Steve Hassin, Annie Broesche, Mayor Robby Cook, Isidoro Ramirez and Thelma Johnson. Trophies for the best and wildest chili were given to the team of Big, Bold & Fev; Mr. Jackson, Dr. Cynthia Saha and Mrs. Fev. Best dressed trophies went to the team of Lonesome Dove; Gwen Knight, Karen Rosenbaum, Patricia Fink, Alannah Mozick and Suzanne Sykowski.

The most unusual ingredient trophy went to the team of Hot & Wild consisting of; Olivia Maxie, Margaret Hernandez, Carole Pavlicek, Lee Politsch and Jennie Jackson. The students' winning choice, by voice vote, was the Stuffed & Fluffed team made up of Jennie Young, Rhonda Prazak, Alex Garder and Malcolm Thomas.

Eagle Lake Middle School hopes to hold more of this type of activity to help the students enjoy learning.

The students' choice was Stuffed & Fluffed: Jennie Young, Rhonda Prazak, Alex Garder and Malcolm Thomas.

Judging the competition provided a "hot" afternoon for Sgt. Steve Hassin, Annie Broesche, Mayor Robby Cook, Isidoro Ramirez and Thelma Johnson. Headlight Photos by Carol Cerdas

North Lake Baptist Church missionary lessons for March

Are: "Organizing the ministry." Organizing means, unifying a group, or to bring into unity a group of people for a special purpose.

Basic theme: "Training for ministry." II Tim. 2:15
First week: Training means to communicate knowledge, to teach, inform, to give directions or to give orders. We are missionaries for Christ. And the Holy Spirit, must empower our minds to encounter our duties. For we are engaged in a spiritual battle. To face difficulties, trouble, conflict and strange opposition.

Apostle Paul said in II Tim. 2:15, "Study," study means to apply our minds in God's word, often enough and God will be revealed to us by his Spirit I Cor. 2:10, Paul wrote "for the Holy Spirit searcheth all things, yes, the deep things of God. There maybe a great falling away from the visible church, but "God," in His supernatural

nature, still has a remnant of true believers, that's standing firm on His promise.

Second week: "Developing resources in ministry." II Tim. 3:16
Developing means growing to maturity putting child like action behind and pressing forward in the word of God where all of our resources lie. Dr. Luke said in Acts 17:28, "For in Him we Live, in Him we move, and in Him we have our being." God's word had the antidote to this world problem. All that is needed, for a church leader to bring it to the visible church, for membership training, God's word will provide and supply, on condition.

Paul said, II Tim. 3:16, "God was manifest in the flesh, justified in the Spirit, seen of the Angels, preached unto the Gentiles. Believed on in the world received up into glory." The scripture is the number one resource tool of the ministry.

Third week: "Identifying leaders for ministry." Rom. 12: 3-8
Identifying leaders, is knowing they has the qualification it takes to do the will of "God". A Deacon must meet the biblical requirement, before he is ready or able to have the ability to

Starlight Twirlers entertain at Sealy 'Airing'

The Starlight Twirlers, coached by Sherri Sommerlatte, provided some of the entertainment for the "Airing of the Quilts" festival in Sealy recently.

The following twirlers performed a total of 10 routines for an hour of talented, show-topping twirling: Angela Phillips, Misty Morales, Stephanie Sommerlatte, Bridget Posada, Lisa Rubio, Kimberly Rodriguez, Brittany Sommerlatte, Melanie Ishee, Jennifer Biaselli, Tiffany Wishart, Jhavana Morgan and Andrea Contreras.

Not able to attend were Amber Laws, Nina Contreras and Jessica Thomas who worked very hard to prepare for this performance.

"Way to go, Twirlers!" says Sommerlatte.

relationship with God. Before the great consummation (end) that final judgement. Malachi 4:1, said, "For behold, the day cometh, that shall burn as an oven; and all the proud yes, and all that do wickedly, shall be stubble, and the day that cometh, shall burn them up, said the Lord of host."

We need to know right now, that when this earthly house, cannot afford us another home, we have a building with "God", a house not made with hands, eternal in Heaven. Let the Holy Ghost, prepare us. Don't wait.

Pastor Rev. J.H. James; General teacher, Sis. Inola Johnson; Teachers, Sisters, V. Fields, A. Heam, B. McTear, B. Johnson and R. Banks.

Study Club annual luncheon set for May 5

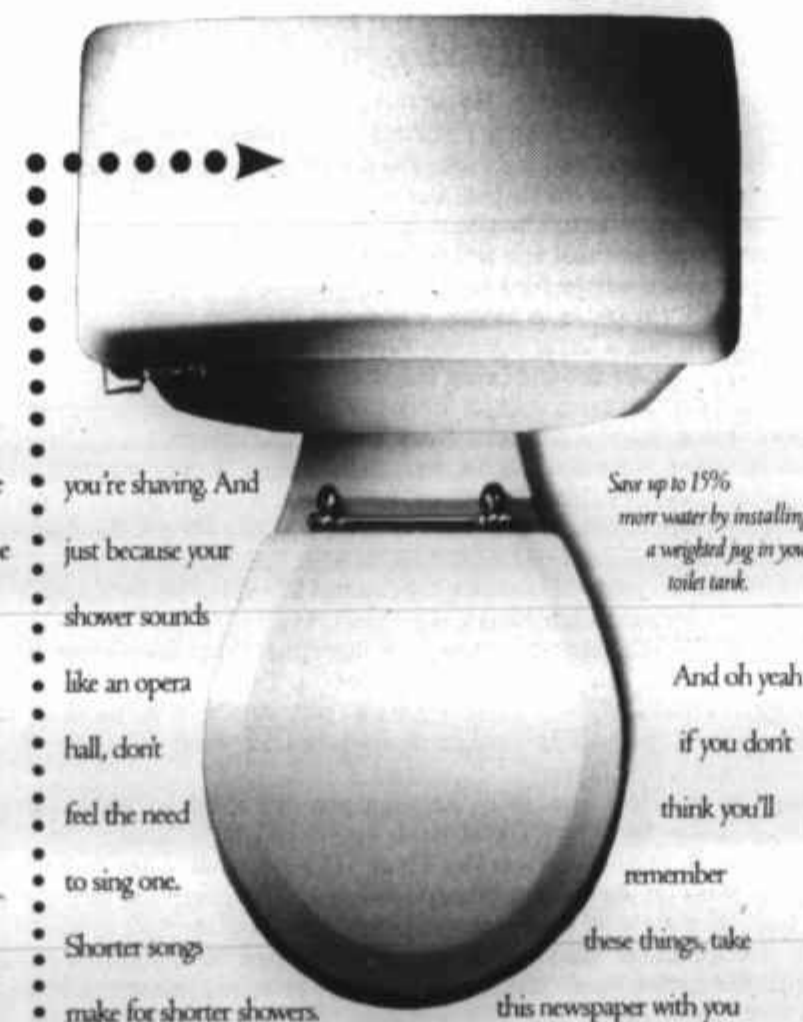

The Eagle Lake Study Club will hold its annual "Presidents Luncheon" on Friday, May 5 at the Eagle Lake Community Center. The speaker this year will be Martha Erwin from the Bayou Bend Speakers Bureau. Her program will be "The Victorian Woman".

Tickets are now available. There are some available at the Winterman Library. Study Club members that have tickets to sell are: Elaine Hess, 234-5930; Betty Wilcox, 234-3554; Margaret Wiese, 234-2030; Fair Wells, 234-3105; Betty Wegenhoff, 758-3361; Mary Lou Anderson, 234-3348; Ernie Sommerlatte, 234-3452; Jean McInteer, 234-5073; and Barbara Pidgeon, 234-2897.

BUY RECYCLED. AND SAVE. When you buy products made from recycled materials, recycling keeps working. To find out more, call 1-800-CALL-EDF.

HOW TO USE THE BATHROOM.

You're probably saying to yourself, any four-year-old knows how to use the bathroom. But you may not know that you use more water in the bathroom than anyplace else in your home. In fact, between the toilet, the shower and the sink you can use up to 55 gallons a day. Multiply that by the number of homes in the world, and that's a lot of natural resources going down the drain. Now, we're not saying you should stop taking showers or brushing your teeth. We're just suggesting some simple bathroom training. For instance, when you're brushing your teeth, turn off the water. Do the same when you're shaving. And just because your shower sounds like an opera hall, don't feel the need to sing one. Shorter songs make for shorter showers. And for the biggest culprit of them all, the toilet, try putting a weighted jug in the tank. It will help save water every time you flush. Plus, don't forget to turn off the lights when you leave. You'll be helping to conserve electricity.

You could end up using 30 to 60% less water by using a low-flow shower head.

Save up to 15% more water by installing a weighted jug in your toilet tank.

And oh yeah, if you don't think you'll remember these things, take this newspaper with you the next time you go.

FOR MORE INFORMATION AND TIPS CALL 1-800-MY-SHARE

Turning off your water while shaving or brushing your teeth can save 2 gallons of water each time.

IT'S A CONNECTED WORLD. DO YOUR SHARE.
