To The Editor & You

'Thank you for the privilege'

To my patients and friends,
As most of you know, I will discontinue my practice of medicine in Eagle Lake on Oct. 6, 1995. This is so that my family and I may relocate where I will join a practice in Seabrook.

I have enjoyed knowing and working with you and the people of Colorado County and will miss my friends here very much.

Thank you for the privilege you have given me to help care for you and your family.

Drs. Raymond and Russell Thomas have nurtured my career and treated me very fairly. I believe that they practice excellent medicine and I regret that I cannot continue in association with them.

I encourage all my patients to continue obtaining their health care at the Thomas Clinic. In addition to the Thomases, I remind you that Lois Goodwin, PA-C, is available to care for you.

Furthermore, it is anticipated that Dr. Len Bornstein, a man whom I have met and find to be very likeable, will be here on a trial basis for a few weeks in Nov. I encourage you to meet him and let the Thomases know how you like him.

I am assured, however, that there will be no problem transferring your medical records if that becomes necessary.

In Jan., I will be joining two family physicians southeast of Houston in Seabrook, Dr. Larry Chapman and Dr. Arthur Anton. That clinic is owned by Memorial-Sisters of Charity Health Network. My practice will no longer include obstetrics or emergency room duties.

In Oct., I will work on a cruise ship, something I have wanted to do in Nov. and Dec. I will have a temporary job in Hawaii. I look forward to all these assignments.

Leah, Joseph and I appreciate the good wishes and continuing friendship many of you have already expressed to us.

Most of all, thank you for the love and trust you have shown me. I have been honored to have had the privilege to serve you and your family.

Best wishes and good health,
John C. Lane, M.D.

'Let us never forget...'

They built their homes, served on school boards and city councils. They raised their children to be law-abiding, productive citizens and sent them off to college.

Not only did they win the war, they built the peace that we have known. They gave us the lives that we have had.

Their heroism did not end when the war ended. They have been heroes every day — in the schools, churches, businesses and homes of our community and are still heroes today.

Let us never forget, and thank them often for the lives they gave us.

Criminal justice department head, Collins, to step down

James A. "Andy" Collins announced last week he would step down Feb. 1 as executive director of the Texas Department of Criminal Justice and go into private business.

The Houston Chronicle reported the governor's office had ordered an investigation into Collins' business dealings a week before he announced his resignation. A day later, the *Austin American-Statesman* reported no investigation had been ordered.

The situation left heads spinning on the prison agency's nine-member governing board. Ellen Halbert, vice chairman of the Texas Board of Criminal Justice, said she was "very upset that the board was not told why Andy was leaving."

Collins said that in July he formed Professional Care of America Inc., a jail management firm to operate in Louisiana. Former Houston Mayor Fred Hofheinz and Jim Brunson, a former officer with N-Group Securities Inc., are listed as directors in Collins' firm. Hofheinz and Brunson said they resigned after lending their names for the incorporation papers.

Collins also said he is under contract with Hofheinz' Viewpoint Development Corp. to operate a jail for juveniles in La Salle Parish La., if and when Viewpoint raises the private money to build it.

In 1994, a federal jury awarded more than \$79 million in damages to nine mutual funds that alleged N-Group and others fraudulently marketed bonds used to pay for the building of six private prisons, which the state of Texas purchased. Collins was subpoenaed as a witness in the trial. He acknowledged that some of his testimony could be viewed as favorable to N-Group.

Collins' annual salary as head of the state agency is \$120,000. He began as a prison guard 23 years ago and worked his way to the top.

Clemons Latest to Switch
State Rep. Billy Clemons of Pollock last week shed his affiliation with the Democratic Party in announcing he had joined the Republican Party.

The six-term rep said he would seek re-election in 1996 for the seat representing the East Texas counties of Angelina, Houston, San Augustine and Trinity. His crossover cuts the Democratic majority in the state House to 86-64.

AIDS Toll Heavy in Prisons
During the last five years, AIDS has been the leading cause of death for incarcerated felons in the Texas Department of Criminal Justice, the *Austin American-Statesman* reported.

AIDS has been the most frequent cause of death among inmates every year since 1990, with the exception of 1991, when cancer was the leading cause. As of August, 72 inmates had died of AIDS in 1995.

"The people that end up in prison are basically poor, inner-city, and nonwhite, and they're young," said James W. Marquart, a criminal justice professor at Sam Houston State University in Huntsville. "They've had crappy health care in the free world. That's what's going on in prison today."

Redistricting Plan Approved
A group of Republican legislators has successfully challenged the state House and Senate districts as being unconstitutional on grounds of racial bias.

Mascheck chosen for livestock award

Each year, the superintendents and chairpersons working with the Junior Livestock division of the Colorado County Fair select a person from within its ranks for their Golden Parol Award.

To be chosen for this particular award, that person must have exhibited outstanding character, extraordinary service and exceptional devotion to the objectives of the fair.

During this recent fair, Clinton "Buddy" Mascheck was selected by his peers to be the 1995 recipient.

Mascheck received an individual plaque Sunday morning during the show and his name will also appear on a permanent plaque, joining such notables as Leroy Hajdik, Jerry Henneke, Ernie Genz, Richard Grobe, Joyce Kemper, Harrison Walker, Whyman Psenick, Eddie Orange, Mary Lou Henneke, James Raabe and Mark Robinson.

This award was originated to recognize the untiring efforts of the late county agricultural agent, Leroy Hajdik, in 1984 and others who would follow.

As a fair director and assistant superintendent, Mascheck and his
