SPORTS

La Grange squeaks away with a win

Rice traveled to La Grange on Friday, Oct. 27, to take on the Leopards.

The results were not the ones we were looking for as the Leopards defeated the Raiders 27-14.

"This gives Rice a 1-4 district record and a 2-6 season record.

As usual, we started out slow and turnovers hurt us again.

It was 13-0 before we could even get started and La Grange controlled the clock most of the game.

It was still 13-0 at half and felt we had a good chance of coming back and winning the game.

Unfortunately, La Grange was able to take the second half opening kick-off half and score; making it 27-0 before the Raiders scored at the end of the third quarter.

Rice scored again at 5:36 in the fourth to make it 27-14 but couldn't get the ball in the end zone again.

Offensively, the Raiders started out slow and seemed to continue that pattern until late in the game when the offense finally woke up.

James Cotton lead the offense with 113 yards on eight carries. Cotton also scored the Raiders only two touchdowns on runs of 22 and 48 yards.

Brandon Mathis had 75 yards passing with Garett Hagendorf catching three for 33 yards. Jesse Bishop had one catch for 18 yards, Josh Godley had one for 18 yards and Tim Powers had one for 11 yards; all from Mathis.

That was about all the bright spots for the offense as we didn't play as well as we expected and wanted to.

Defensively, the Raiders played well holding the Leopards to no yards in the air and 259 yards rushing.

It's kind of tough to stop people when your offense and special teams allow them to have such good field position. Overall, we were pleased with our defensive effort.

Defensive players having a big impact for the Raiders were Cotton, 16 tackles, 6 assists; Kyle Fink, six tackles, six assists; Jesse Bishop, five tackles, two assists, blocked PAT; Michael Wiese, four tackles, four assists, fumble recovery; Masion Pratt, three tackles, four assists, two quarterback pressures; Clint Krenek, two tackles, four assists; Larry Henderson, two tackles, three assists; Christian Cordova, three tackles, two assists, one quarterback pressure; Hagendorf, three tackles, two assists; Byron Black, two tackles, caused one fumble.

Mathis had a fine night punting the ball with three kicks for 108 yards. Henderson had one punt for 40 yards when he took over for Mathis on one punt.

Players of the week were, on offense and defense, James Cotton; special teams, Brandon Mathis; and lineman, Clint Krenek.

The Raiders look to learn from their mistakes and bounce back from the disappointing loss, getting back on the winning track against the Edna Cowboys.

Come support your kids as they travel to Edna for a 7:30 kickoff. You've got to believe and support these athletes.

Foot Facts

By Dr. Eric R. Tepper, Podiatrist

UN-COMMON SENSE ABOUT INJURIES

Given the fact that it is their job to be stepped on all the time, it is no wonder that feet are injured occasionally - the real wonder is that they usually survive with few serious incidents! When injuries do occur, the greatest hazard can be misconceptions about what to do. Perhaps the most common of these is the old "if you can move it, it's okay" line. It is possible to walk after many types of fractures of the toe, foot, or ankle, but going without prompt care can result in improper healing and painful deformity. If the problem is a sprain rather than a break, care is equally important. Such treatment as professional strapping or casting, physiotherapy, or surgery may be necessary for full recovery.

Podiatrists are trained to care for foot and ankle injuries. We also understand how foot and ankle injuries can affect your knees, hips, and back. Skilled at diagnosing injuries and establishing a treatment plan, we strive to decrease your pain and other symptoms, protect your injury so it can heal, and prepare you for a return to activity. We'll also counsel you on how to prevent future injuries. You, too, can be foot-pain free - call us at 234-5571, at the Rice District Community Hospital. I am there every Tuesday.

P.S. An elastic bandage can do more harm than good. It is no substitute for professional treatment of breaks or sprains.

Webb is first female U.H. Cougar mascot

For the first time ever, the University of Houston has a female Cougar mascot and her name is "Sasha". Behind that face is Mandi Webb.

Not only is this a first ever, but Mandi is the first female to wear a UH mascot suit. She joins male mascot "Shasta" on the sidelines for all varsity sports.

"Sasha" will be performing along with the Cougar Dolls drill team, featured twirlers, Cougar band, and the cheerleaders.

"Sasha's" stunt partner is her real life brother, Micah Webb.

Mandi and Micah's parents are Eagle Lake's Police Chief Keith Webb and Wanda Webb.

Micah returns for his third year of UH cheerleading, now as the head cheerleader. The Webb team is making history also as being the first ever sister/brother duo on the same squad.

UH no longer has a live Cougar so "Shasta" and "Sasha" play that role and a make-believe wedding is planned for the future.

Mandi and Micah are graduates of Columbus High School where Mandi wore the "Birdie" suit as the Cardinal mascot.

7th grade Raiders shut out Falcons

What a homecoming it was for the 7th grade Raiders as they shut out the Brookshire Royal Falcons 16-0.

The Raiders had a total of 36 carries for 171 yards.

Lonnie Sims had 22 carries for 100 yards; Kyle Kincheloe, 11 for 58; and Isam Brisco, three for 13.

The coaches stated that the defense was outstanding. John Rucka returned an interception for 28 yards.

The defense held Royal to only two first downs.

Leading defensive players were Sims, Rucka, B.J. Ross, Jacob Little, Brisco and Danny Buitrago.

The 7th grade Raiders were scheduled to play the La Grange Leopards on Oct. 26. Keep an eye on next week's *Headlight* for the results.

Scoring
R- 2nd quarter, Kincheloe, 5 yard run, Sims ran 2 pt. conversion.
R- 2nd quarter, Kincheloe, 28 yard run, Sims ran 2 pt. conversion.

Mark up two for Garwood

The Garwood Lady Raiders were on the road again traveling to La Grange and Sealy.

On Oct. 16, the Ladies challenged La Grange winning both games 15-1, 15-11.

Scoring for the Raiders were Lori Smith with 7 points; Carmen Llorca, 6; Lakeisha Johnson, 5; Nicole Krenek and Augustina Ortiz, 4 each; and Tanika Scott, 1.

Other team members are Ashley Johnson, Regina Williams, Terri Rideau and Desanie Axel.

On Oct. 23, the Lady Raiders took on Sealy, playing 3 timed games.

The Ladies came out on top with scores of 3-8, 11-9, and 11-9.

Scoring were A. Ortiz, 8 points; L. Johnson and C. Llorca, 6 each; Amanda Engstrom, 2; and T. Scott and L. Smith, 1 each.

Coach Veronica Curry states she is so proud of her young ladies for doing a great job!

The Ladies were scheduled to host Columbus in Garwood on Oct. 30 for the last game of the season.

MINIMAL DRILLING

If you're like most patients, you'd rather be in a movie seat than a dental seat while your dentist prepares your tooth for a filling. Well, here's some good news. Today, dentists think that fillings should be kept as small as possible and restricted to the decayed part of the tooth.

In the past, dentists believed that larger fillings were easier to clean and that by extending the filling into the tooth's decay-free pits and grooves, further cavities could be prevented. Now they know that too much drilling may injure the nerve and weaken the tooth so it may fracture later. Also, fillings don't need to be large to fight decay. Fluorides, diet, brushing, flossing and new sealants are better for that purpose.

In addition, new dental technology makes this new minimal drilling approach work. Stronger amalgams and bonding techniques with composite resins no longer require the major excavations of the olden days. Now you can spend more time watching TV rather than your dentist's face (as handsome as it is).

Presented as a public service to promote better dental health. From the office of JOHN B. MYRES, D.D.S., 704 S. McCarty Avenue, Eagle Lake, 234-3525.
