Wicke, Korenek wed at Holy Rosary Church in Rosenberg

A double ring ceremony united Deborah Kay Wicke of Rosenberg and John Lee Korenek Jr. of Garwood at 2 p.m. on July 29, 1995, at Holy Rosary Catholic Church in Rosenberg with the Rev. Daniel Warden officiating.

The bride is the daughter of Mr. and Mrs. Charles H. Wicke of Rosenberg. Parents of the groom are Mr. and Mrs. John Lee Korenek of Garwood. Cascading spring bouquets of lila-

tris, gladioli, roses, carnations, yellow and white star gazer lilies and English ivy, sprengeri fern and curly willow were placed at the altar. Topiaries and garland were placed at the kneeling rail.

Organist Michael Riha performed a collection of classical musical selections including, "Walk Hand In Hand", "Wherever You Go", "Ode To Joy", "Trumpet Voluntary", "Take Our Bread", "How Great Thou Art", and "Jesus Joy of Man Desiring". Samantha Labay sang "Walk Hand In Hand", "Wherever You Go", "Ode To Joy", "Take Our Bread", "How Great Thou Art" and "Our Father".

The bride, escorted by her father, chose a gown of satin underlined with a chantilly lace overlay. The neckline followed the shape of the crocheted lace applique, which was accented with seed pearls and sequins.

The inverted drop waist was complimented by a crocheted lace applique with seed pearls, sequins, strand of seed pearls and tear drop pearls hanging from tiny bouquets of ribbon roses.

The hemline of varying lengths was accented with scalloped crocheted lace, seed pearls and sequins. The gown was handmade by the bride.

The bride chose a satin covered hat accented with floral lace appliques, pearls and sequins. The brim was trimmed with a band of pearls and a small bouquet of fresh roses to one side. The front of the hat was accented by a tuft of gathered French Veiling.

She carried a "showers" bouquet patterned after an early 1900s bouquet of red, pink, white, yellow and lavender roses. English ivy, sprengeri and

plumosa ferns were intertwined. Ribbons and lace streamers "showered" down from the bouquet with roses and foliage tied to them.

Cathy Barta of Beasley was matron of honor. Karen Riley of East Bernard was bridesmaid.

Bridal attendants wore a tea-length button down dress with a sweetheart neckline made of emerald green floral jacquard. They carried arm bouquets of assorted colorful roses and lilies accented with hear grass, sprengeri fern and English ivy. Lace ribbons complimented the bouquets.

Martin Korenek of Sneads Ferry, N.C., the groom's brother, served as best man. Keith Korenek of Milton, Fla., also a brother of the groom, was the groomsmen.

Ushers were Darryl Wicke and Duane Wicke, the bride's brothers. Cathy Barta, matron of honor, and Martin Korenek, best man, were the couple's witnesses.

Altar boys were Clint and Trent Korenek, cousins of the groom.

Houseparty members included Gloria Mican, Kim Vogler, Carol DiVin, Frances Michulka, Karen and Betty Vacek, Dorothy Pospisil, Joyce Bantos, Lisa Whittlesey and Sherry Patterson.

Suzanne Ritchie, Elizabeth Jones and Gayle Pieniazek assisted the bride in making all of the floral arrangements for the wedding.

On Friday, a rehearsal dinner was held at the KC Hall in Rosenberg with a menu of turkey and dressing with all the trimmings being served.

The bride is a 1988 graduate of Texas A&M University where she received a bachelor of science degree

in horticulture. In 1990, she earned her master's degree in agriculture. She is a former agri-science teacher at Conroe High School and Houston Community College. The groom is a 1986 graduate of Texas A&M University where he received a bachelor of science degree in agronomy. He is an international field research associate with Rhon-Poulenc Ag Co. in El Campo. After the wedding trip to Crested Butte, Colo., the couple planned to reside in East Bernard.

DON'T HIDE SMILE — BOND IT

If you find yourself automatically suppressing your smile to hide a chip, pitted front tooth or a space between your teeth, you'll be delighted to know that help is readily available, less expensive, and often faster than it was in the past. When your considerations are esthetic, your dentist can do more than clean your teeth.

Indeed, improving your smile no longer automatically means extensive dental treatment with crowns or caps placed on your front teeth.

The smile-saving developments in the esthetic dentistry rely on modern plastic or "composite resin materials" and a technique popularly known as "bonding".

Teeth that are chipped, cracked, or severely discolored can be filled in or painted over with a color-matched material that makes teeth look as good as new.

Today, acid-etching, as "bonding" is scientifically known, is quick, painless, reversible, and rarely requires anesthesia. Four front teeth could normally be treated in a single visit. Less chair-time means less cost for you.

Presented as a public service to promote better dental health, from the office of JOHN B. MYRES, D.D.S., 704 S. McCarty Avenue, Eagle Lake, 234-3525.
