# North Lake Baptist Church missionary lessons for April

Area: New Testament personalities. Quarterly theme: Women of the New Testament. Basic theme: "Samaritan Women Confronting" John 4:1-9.

One very hot summer day around noon, this nameless woman went to an ancient well, that had once belonged to Jacob. This day something odd, strange, rare happened. She met Jacob who had come down from Ephraim going to Galilee.

Jesus confronted prejudice. The Jews and the so-called low class Samaritans did not mix for the Assyrian and the Israelites had intermarried, to cause this mixed population.

Jesus asked for a drink of water, the woman asked Jesus "How can you consider receiving a drink from me when you know the hatred that exist between the Jews and my people?"

Prejudice and hatred still linger on, but Jesus, said John 4:14, "For this I came down to tear down the middle wall of partition between us." She went running saying "come see a man".

2nd Week: "Dorcas and Priscilla: Women in Service" Acts 9:36-42.

3rd week: "Mary of Bethany" Luke 10:38-42. There are six Mary's in the New Testament. This Mary and her sister Martha were close friends of Jesus. They opened their home and made Jesus welcome. Mary became transfixed at the works of Jesus as she sat at his feet (Luke 10:39).

4th week: "Mary Magdalene: Woman of Gratitude: Luke 8." Dr. Luke wrote this book he is giving us to know that Mary Magdalene was in a desperate condition. She was possessed by not only one demon, but seven of them.

Satan will hinder our spiritual growth. For II Cor. 11:14 says, "For Satan himself is transformed into an angel of light". The name Satan means, adversary: one who fights against God and man. He is the god of this world II Cor. 4:4.

Mary was made happy, with much gratitude in her heart (mind) for when he cast out ALL seven of her demons, Luke 8:2.

Pastor, Rev. J.H. James; General Fields, B. McTeer, B. Johnson, A. Hearn, and R. Banks.

Acts is the New Testament history book written by Dr. Luke. Every "true" believer should be overwhelmed to know that the Holy Spirit is not only by our side, but dwells in the hearts of our mind every day and every hour.

Dorcas was a woman "full" of good works. She was very concerned for the poor and needy, especially the orphans.

And Priscilla, (also called Prisca) and her husband Aquila, were tent makers and teachers, in the new testament church. She became the teacher of "Apollos" in her home for 18 months.

Priscilla was wise enough to realize that Apollos' limited knowledge could hurt the Christian cause. She committed her life to the service of Jesus Christ based on her faith, because she was not afraid.

Mary's concentration typified the spirit of worship. She was able to close out all the commotion of the preparations going on around her by her sister Martha.

Jesus commended Mary for taking the time to praise him in such a way (Luke 10:41).
