Colorado County Taxpayers Assoc.

State Rep. Robby Cook addressed the Taxpayers Association of Colorado County (TACC) at their regular meeting in Sept., discussing his experiences during the first legislative session.

He also discussed some of the background for Proposition B, the Constitutional Amendment concerning Home Equity Loans.

At that time, he was invited to return prior to the Nov. election to share pertinent information concerning other propositions that were to appear on the Nov. ballot.

Rep. Cook accepted TACC's invitation and a called meeting was arranged for Tuesday, Oct. 14, at 7 p.m. at the Nesbitt Memorial Library.

Prior to Rep. Cook speaking, citizens were to have the opportunity to view a 17 minute video entitled *Standing Ground, People Property and Power*. This video was produced by the Farm Credit Property Rights Foundation concerning the government's activity in seizing property under the authority of the Endangered Species Act.

The information in this video should be of vital interest to anyone who owns a farm or ranch or home or even an automobile. All interested citizens were invited to attend and urged to be on time.

The Sons of the Confederacy escorted the presidents of those chapters as well as being the color guard.

The Division was honored by having the President General Hilda Bell, a Texan, present for the meetings.
